Minutes were approved as written.

Standing updates on Assessment & Accreditation

Ellen Dobson, Interim Director of OAAT, reported on Evidences. We are still required to collect seven electronic evidences for every candidate for initial licensure. Since the approval of our original blueprints, we asked for permission to substitute edTPA for evidences 2, 3, 5, 6 and 7. In July 2013, we received permission to substitute edTPA for evidences 3 and 5. The substitution for evidence 2 as approved conditionally, but no timeline was established. The requests to substitute edTPA for evidences 6 and 7 were denied. As a result, we need to resume the collection of evidences 6 and 7 immediately. Beginning Fall 2015, evidence 6 was being addressed in EDUC 4400. Program coordinators should review their blueprints and make plans to implement evidence 7.

Programs that wish to modify or change their evidence 7 will need to submit a request to NCDPI no later than Feb 15, 2016. Contact Ellen Dobson for details.
