Addressing Document Based Questions Allen Guidry (2013) – All Rights Reserved

Read the question (TNT):

 ${f T}$ asks – underline key verbs twice and the rest of what is asked once

Numbers – circle any numbers that tell how much to do

 ${f T}$ heme – block the theme of the question

Write your response (Triple S):

State topic or argument (Be sure to indicate how or why?)

Support your topic/argument with details, facts, or text evidence

Summarize with a concluding sentence
