CONCEPT: SEA STARS (STARFISH)

Department of Interior
Design & Merchandising

- STARFISH HAVE THE ABILITY TO REGENERATE MISSING PARTS OF THEIR BODY, AND
- CONCEPT: REGENERATION.
- ALL OF THE FURNITURE THAT HAS BEEN CHOSEN CAN BE EASILY MOVED
- THIS ENCOURAGES EMPLOYEES TO COLLABORATE WITH NEW PEOPLE AND REJUVINATE WORK HABITS CONSTANTLY
- EVERYDAY SOMETHING NEW IS DISCOVERED ABOUT THE OCEAN, THE PEOPLE WORKING HERE NEED A SPACE THAT CAN MOVE AND GROW WITH THEM
