Problem Resolution Sketches Back of House

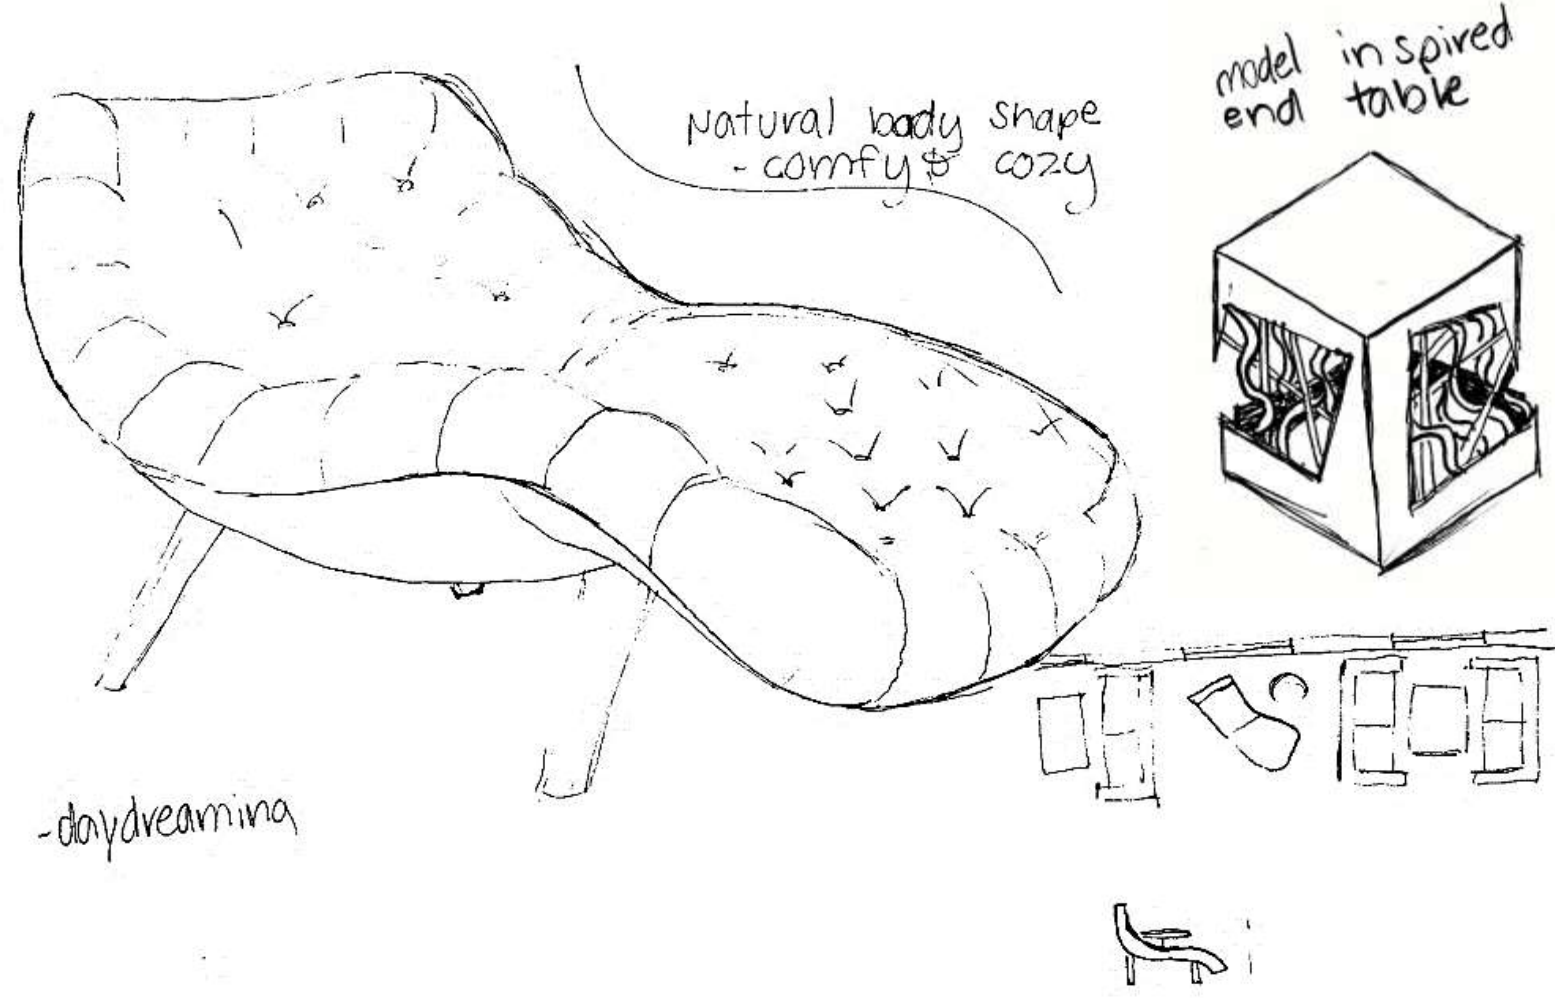

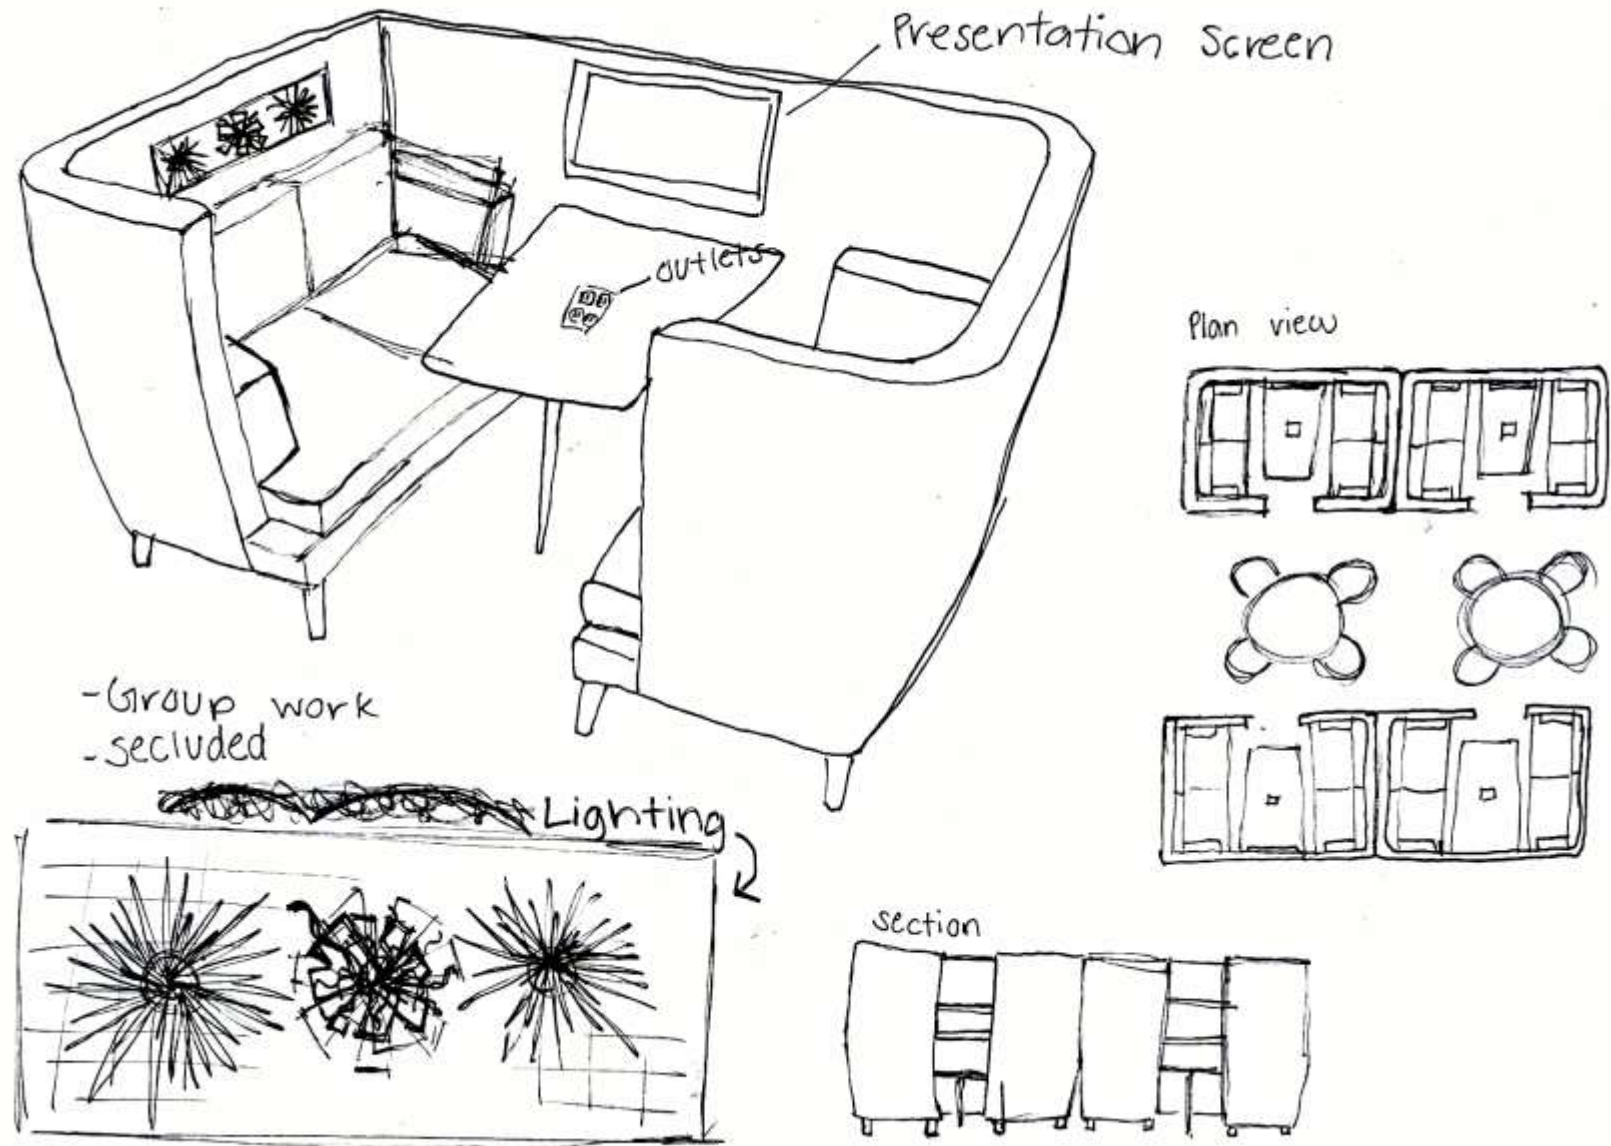

- private work space
- sketching, writing, ect

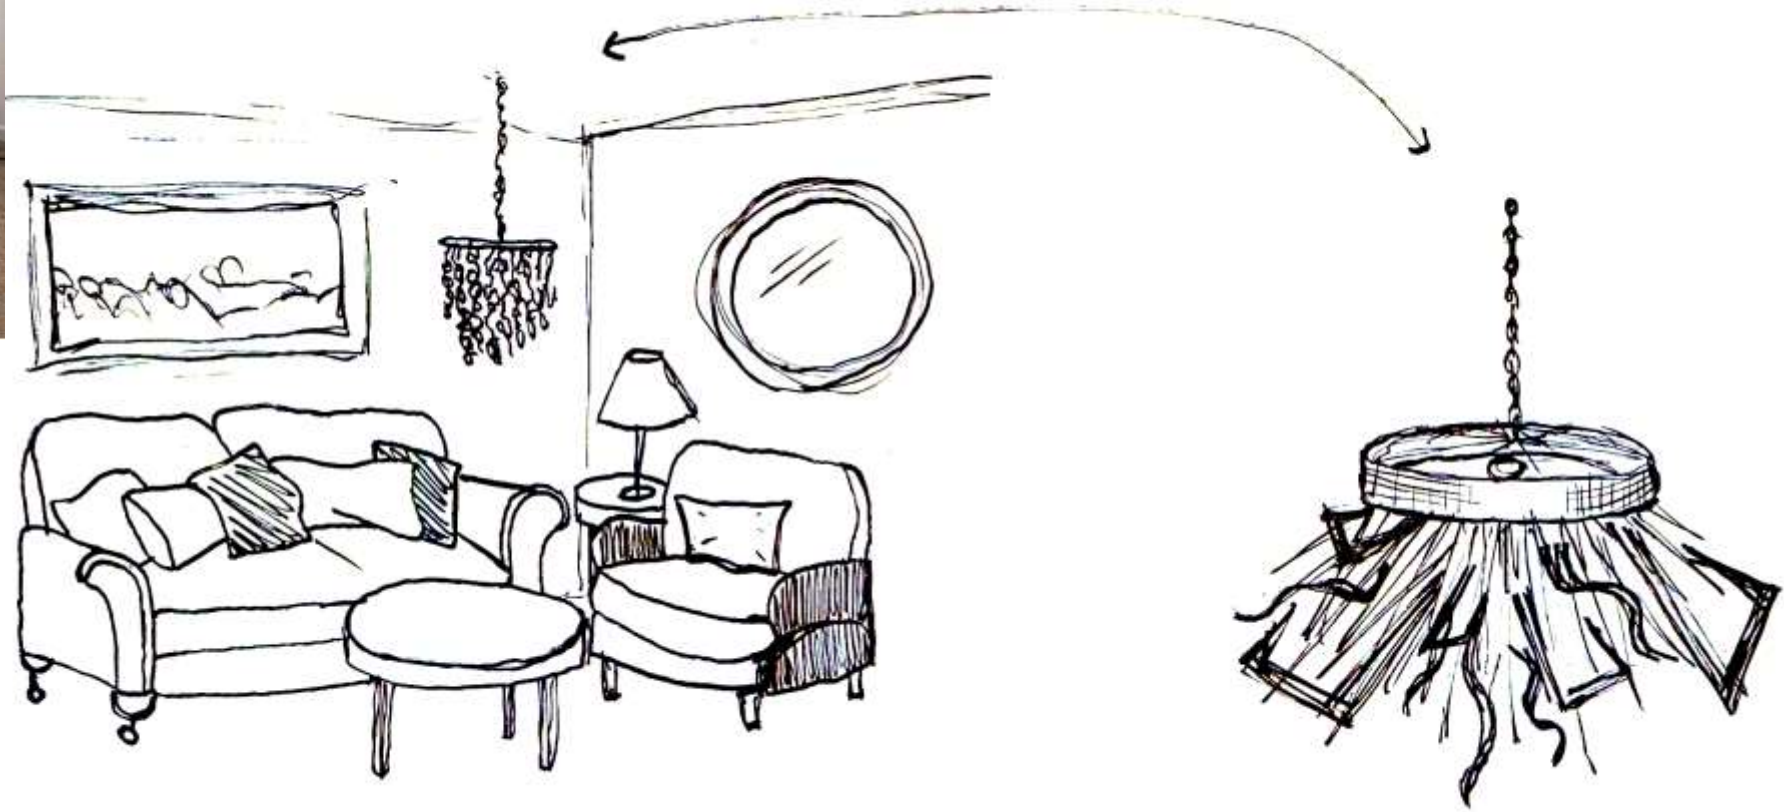

small ottoman

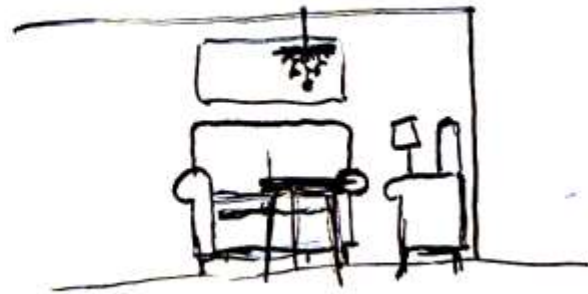

Model inspired chandelier

- Studio space inside the coffee house
- Local artists could hang their work throughout the coffee house
- Art supplies, water color pallets, sketchbooks could be sold.
- Events like wine and designs could be held in the studio

Concept

- The dark navy blue and gold touches reflect the old European coffee houses.
- The dark navy also provides a background that could go well with any local art..
