# Activity Space Studies- Diffuse Focus Work

Diffuse focus work

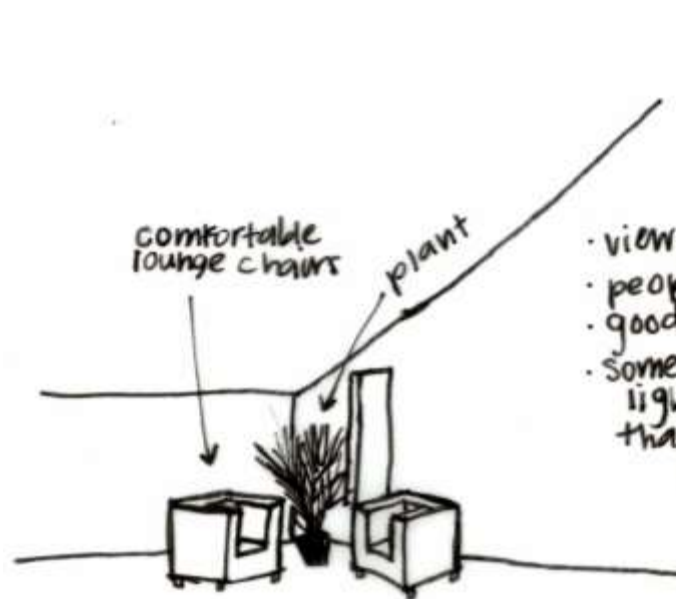

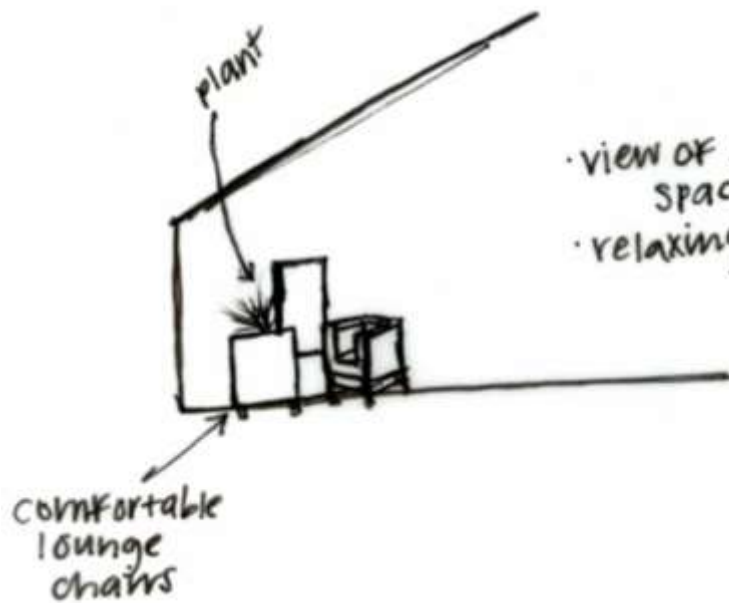

# Activity Space Studies- Daydreaming

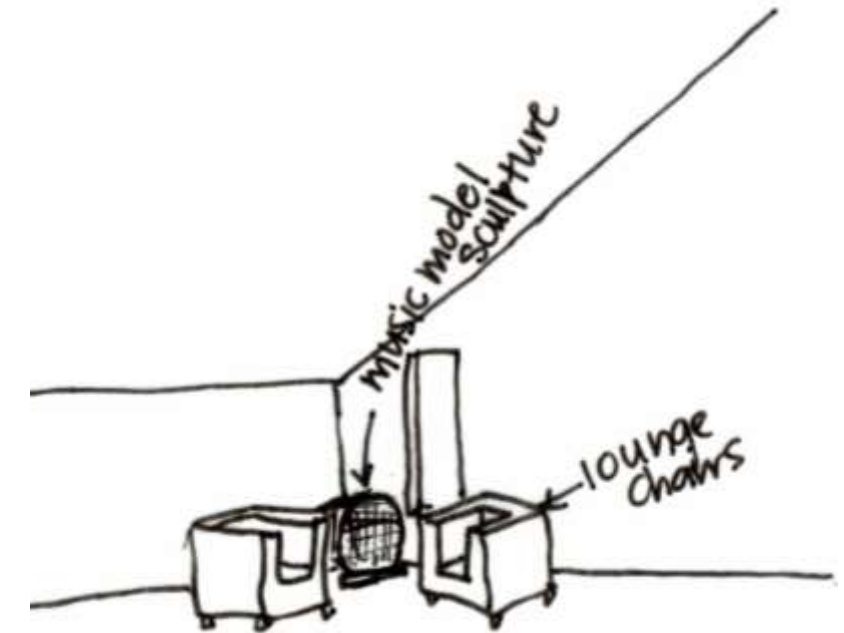

- looking into the space
- people watching
- comfortable lounge chairs

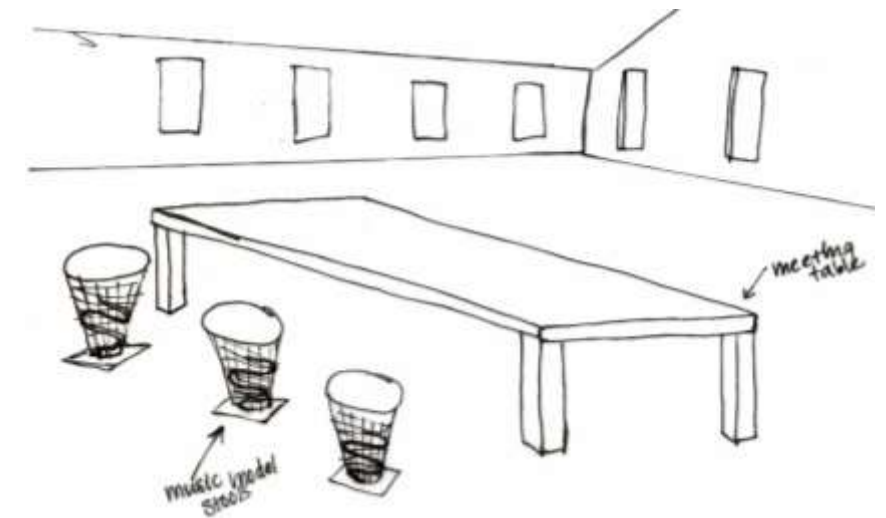

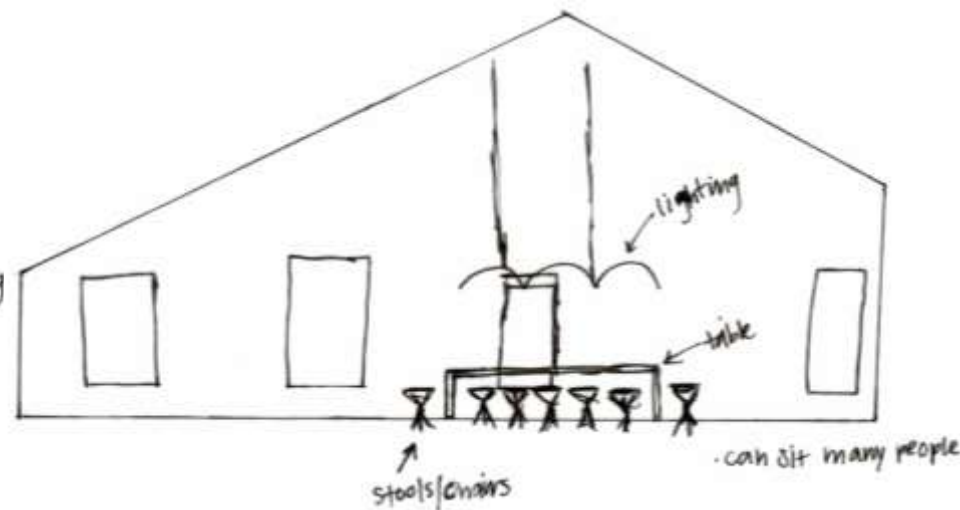

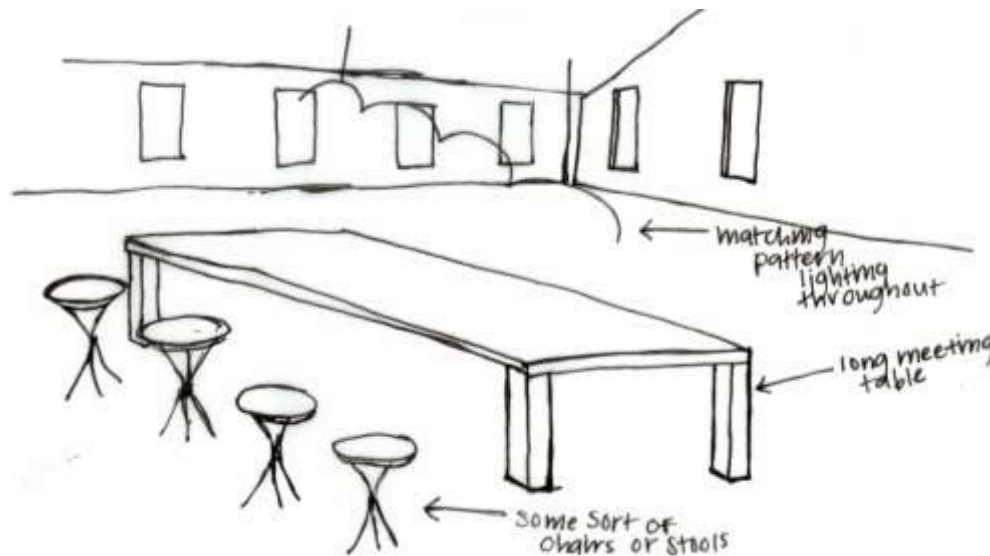

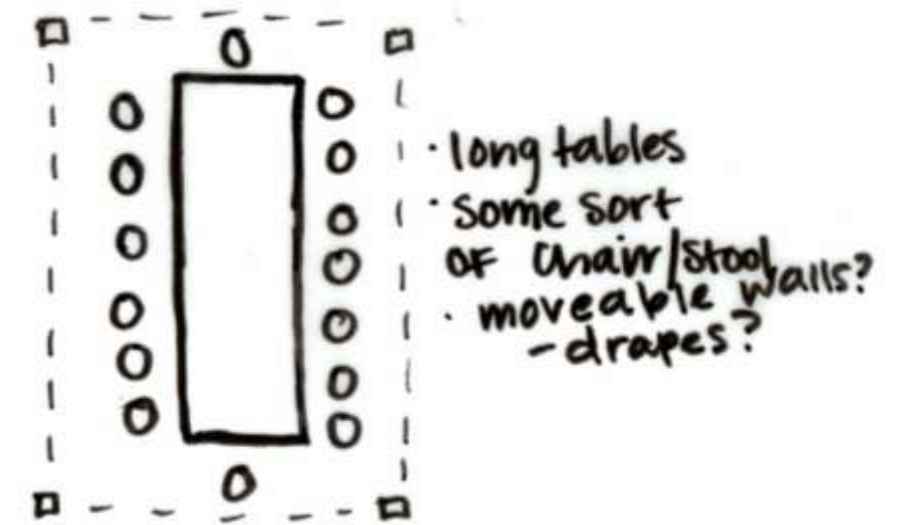

- view of space
- people watching
- good for looking
- some sort of lighting, other than from windows

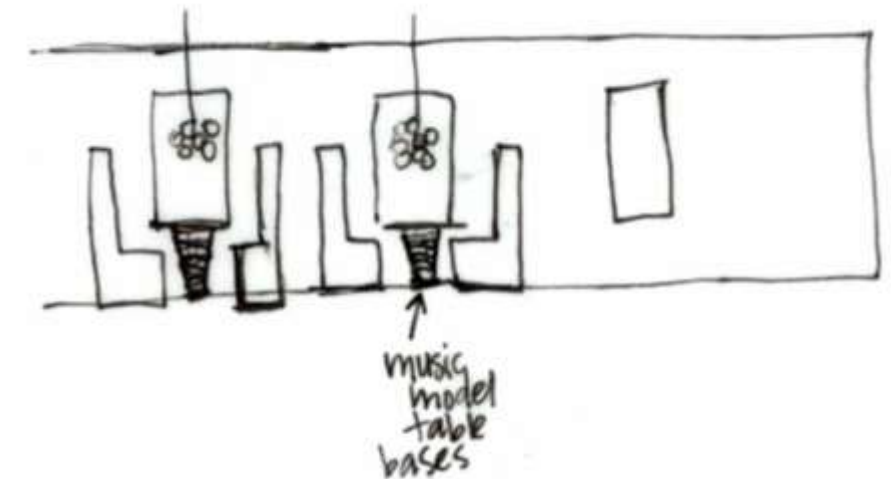

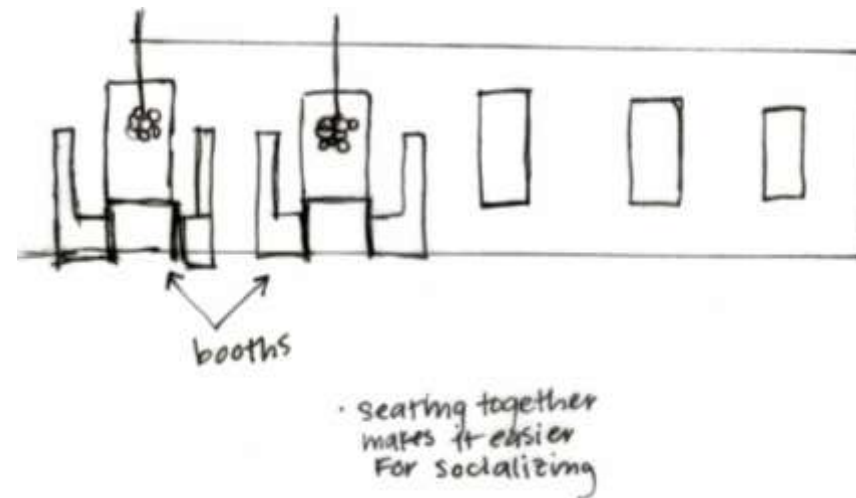

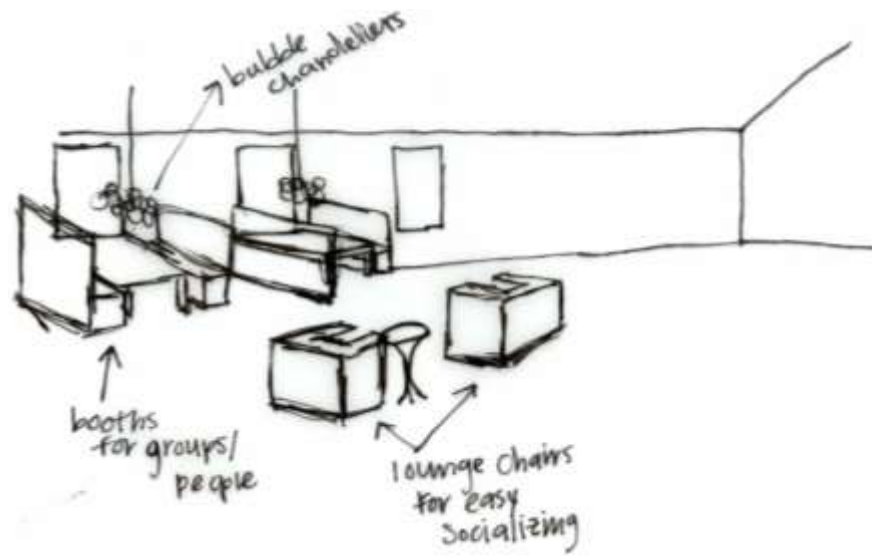

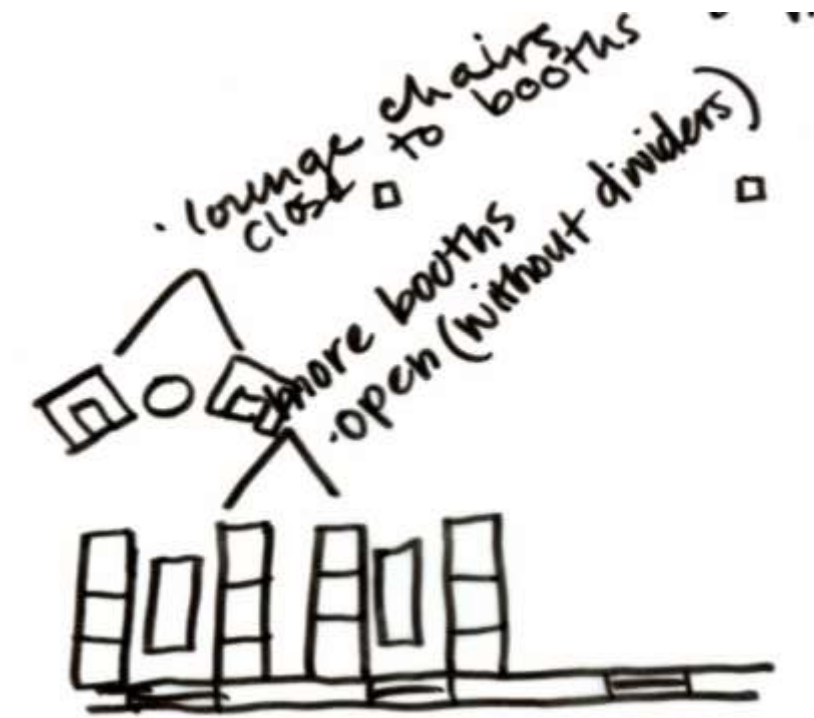

- view of full space
- relaxing

# Activity Space Studies- Group Planning/meeting

# Activity Space Studies- Daydreaming

# Concept

---

- The space given is very rustic, old, and holds a lot of character
- Use the original wood and space
- Create a relaxing atmosphere
- A place where people can admire their environment

# Color Rationale

- Relaxing and calming colors
- Cool tones
- Reflective colors to make the space lighter
- Not too bright (keep a rustic atmosphere)
- Takes on the colors of the ocean and beach
