Perspective Drawing

Activity Space Studies

Shopping Alone:

Original Sketch of American Eagle

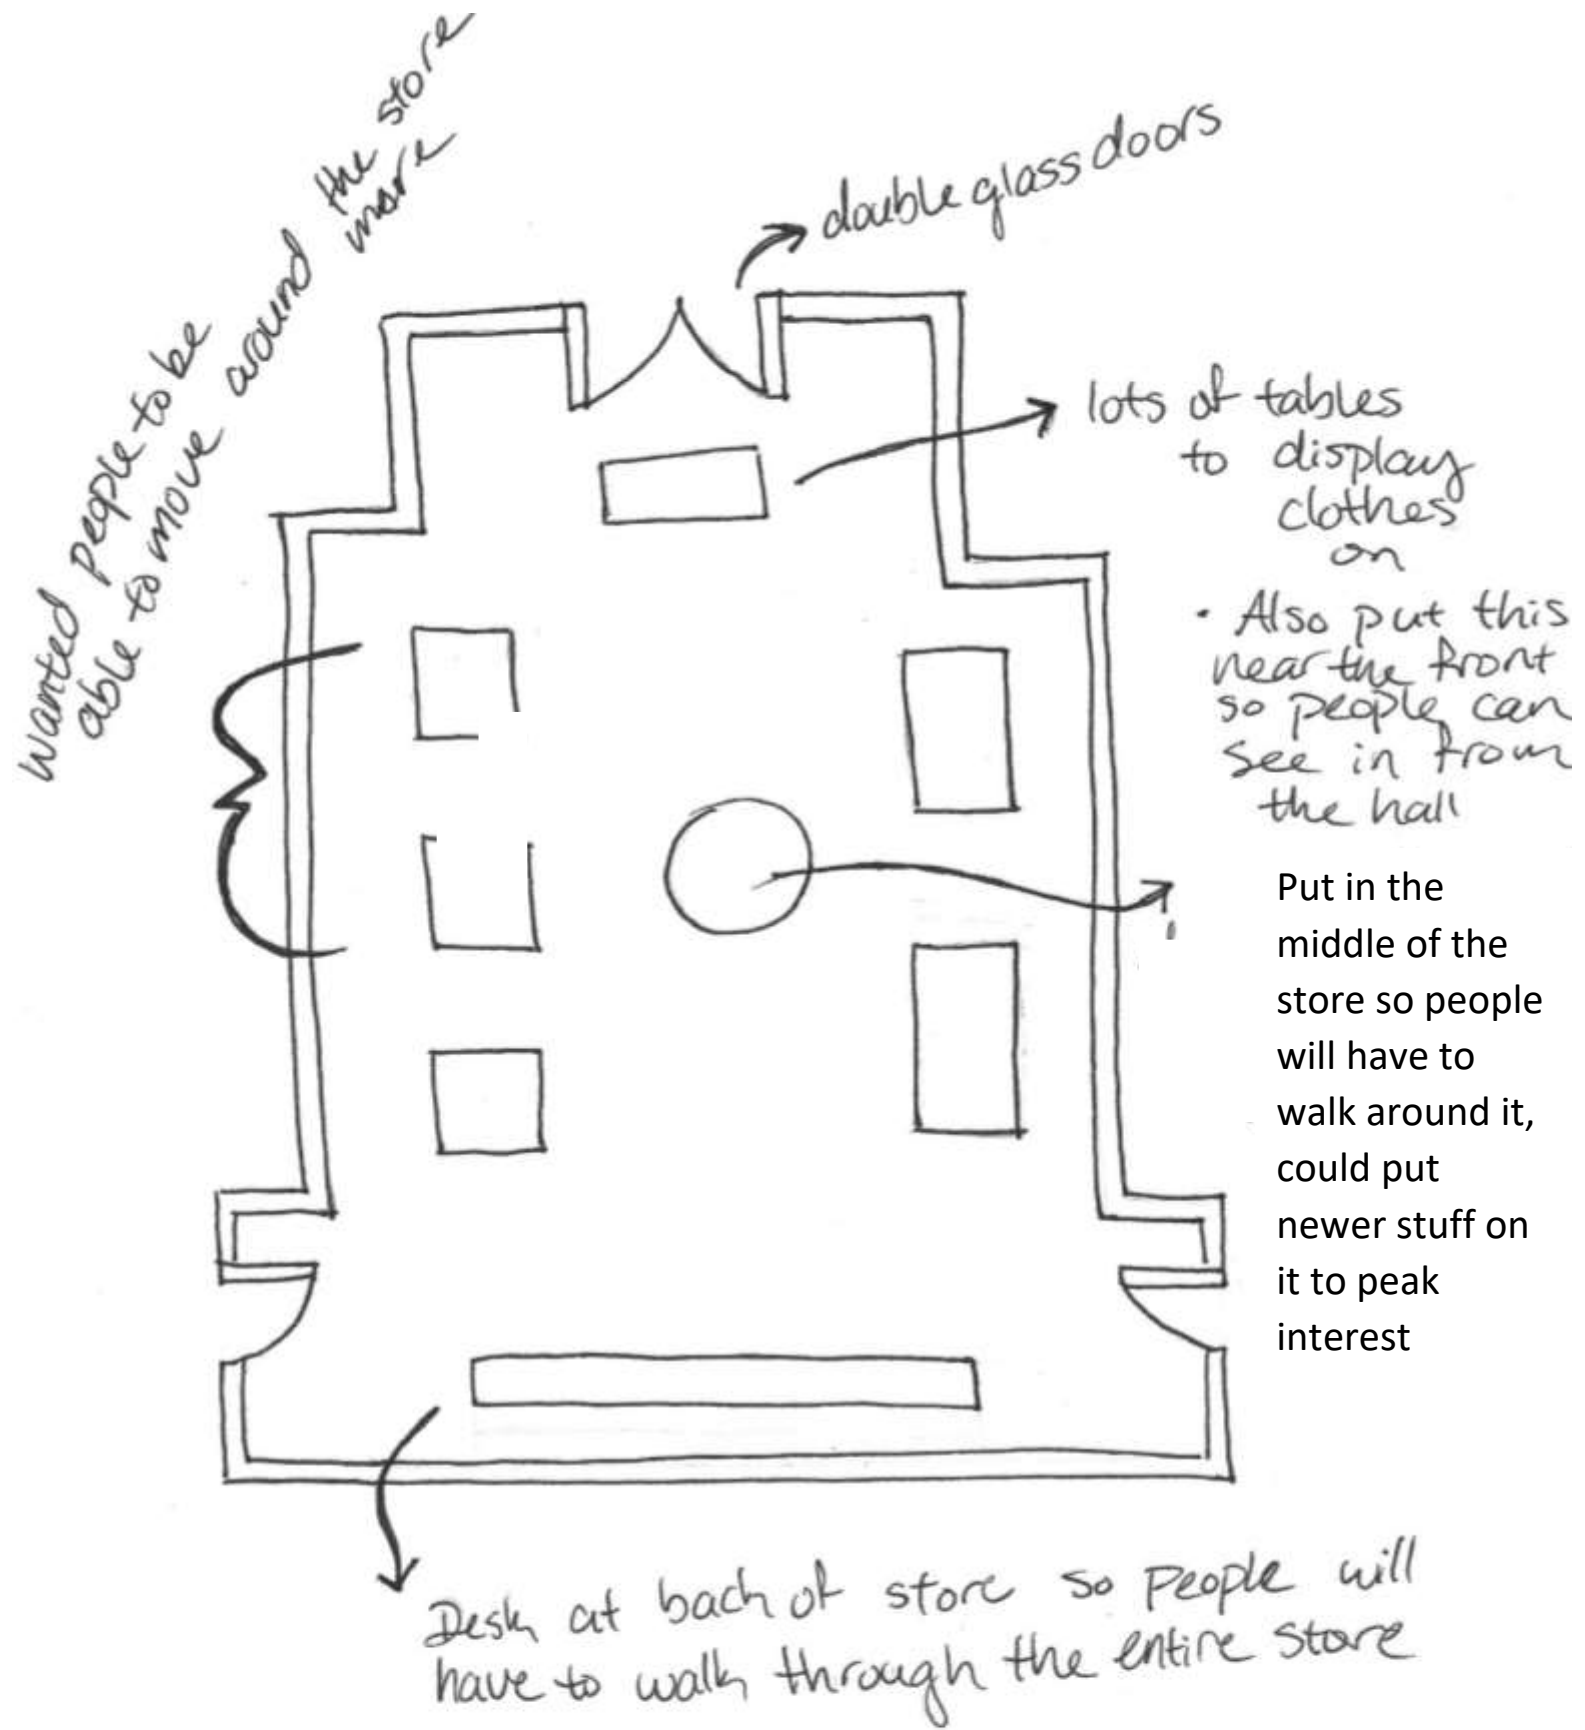

↓
I like how the newest clothes
and styles are on display in
the front of the store
-it makes me want to go in
and look around the store

flow around the store was what I wanted to change so the circular display and the cashier's desk at the back of the store were a couple of ways of doing this

Activity Space Studies

Shopping and Having a Snack:
Original of Auntie Anne Pretzels

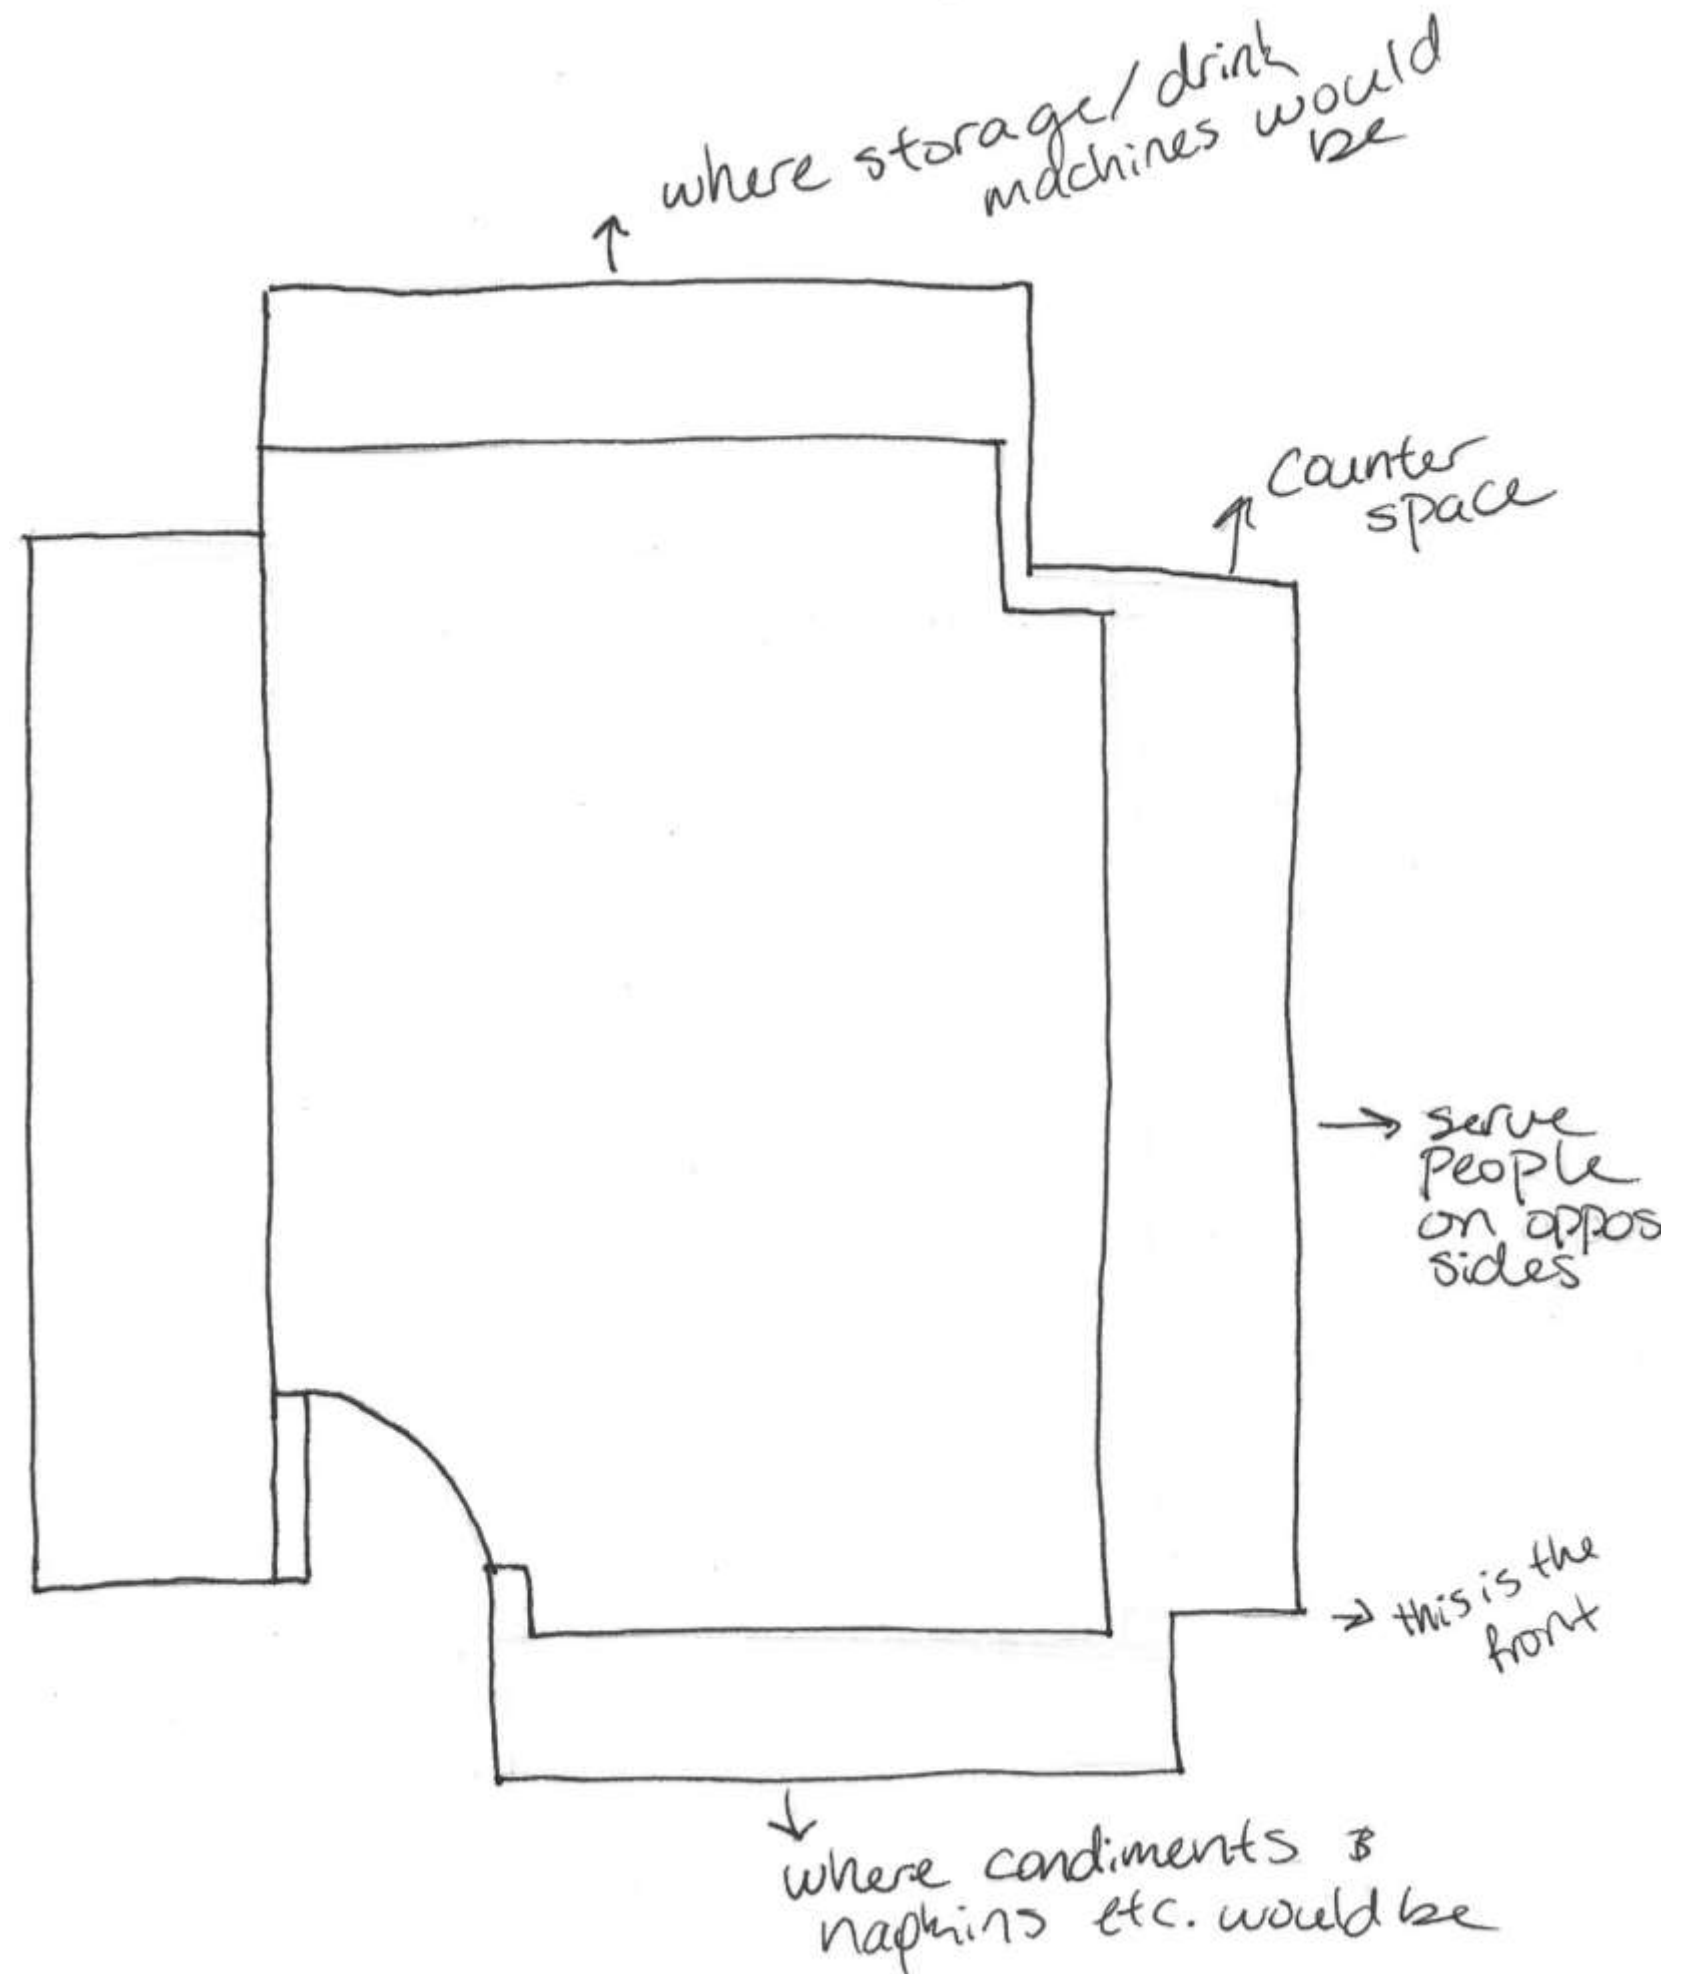

↓
This was in the middle of
the mall and you could smell
it all around the different stores

• I wanted to pick a more bold pattern so that your eyes would be drawn to it

- I'd want the snack stand in the middle of the store so people will smell the food and want to buy it
- I changed it to be in the middle of a store rather than the mall and (see lights)

Activity Space Studies

Shopping with Friends:

Original of Kirklands

↙ Kirklands always has different set ups with different themes that peak interest

- this was near the front of the store

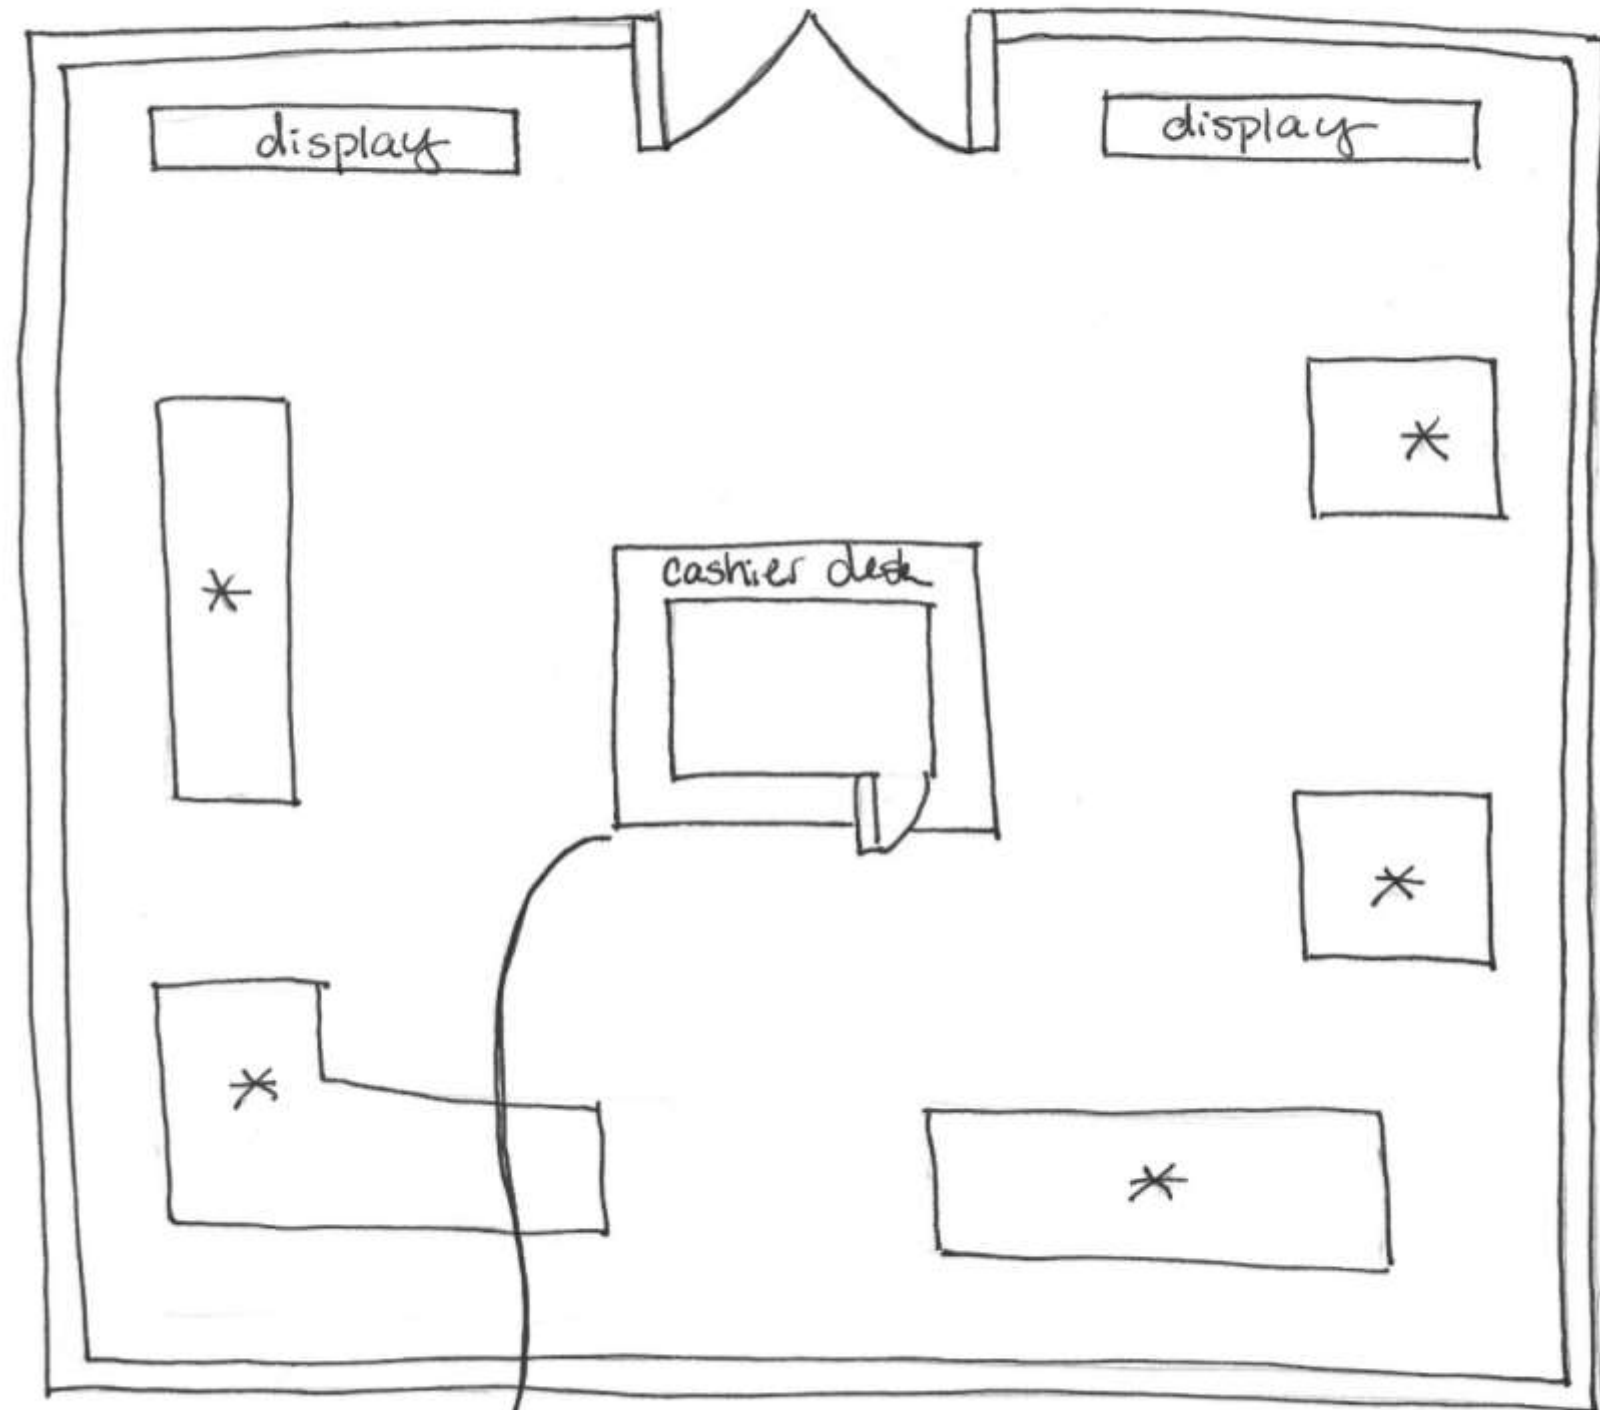

Tiffany Alexander

Activity Space Studies

Shopping with Friends:

Floor Plan

*: some different set ups around the store

4 stations for check out because they are sometimes slow, also in the middle of the store so you can walk around

Music as Design Inspiration

These were the original images that were drawn when listening to the music composition.

Tiffany Alexander
IDSN 2102 F19

Music as Design Inspiration

This was the final drawing that was pieced together from the original three sketches.

• also thought about the Japanese ~~rest~~ restaurant thing and lowered it so the "piano tiles" would give that effect

I wanted to make it into a light fixture that was a statement (similar to Dale Chihuly)
