Working Parts

Design
Concept

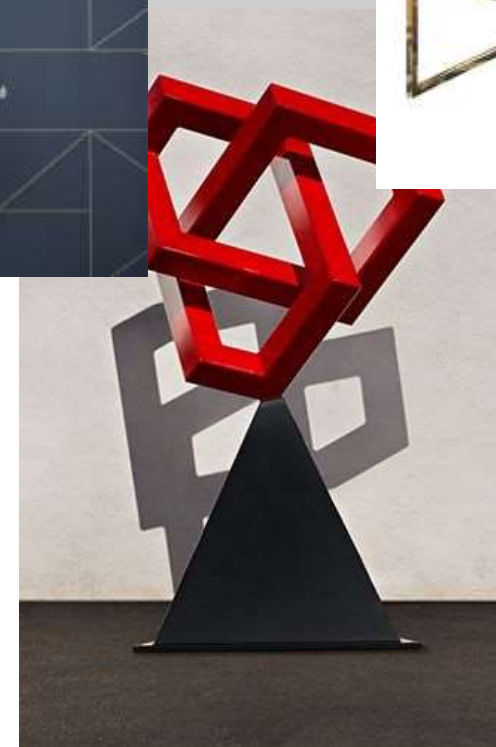

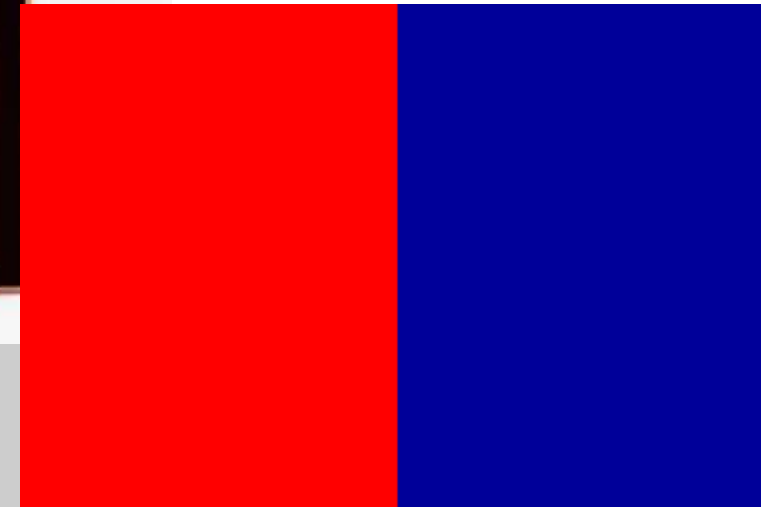

- Geometric details represent "working parts"
- Based on geometric patterns
- Produce feelings of motivation and productivity
- Allows for creativity to flow

Julianne Hughes

IDSN 2102 F19

Color Rationale

Final Color
Scheme

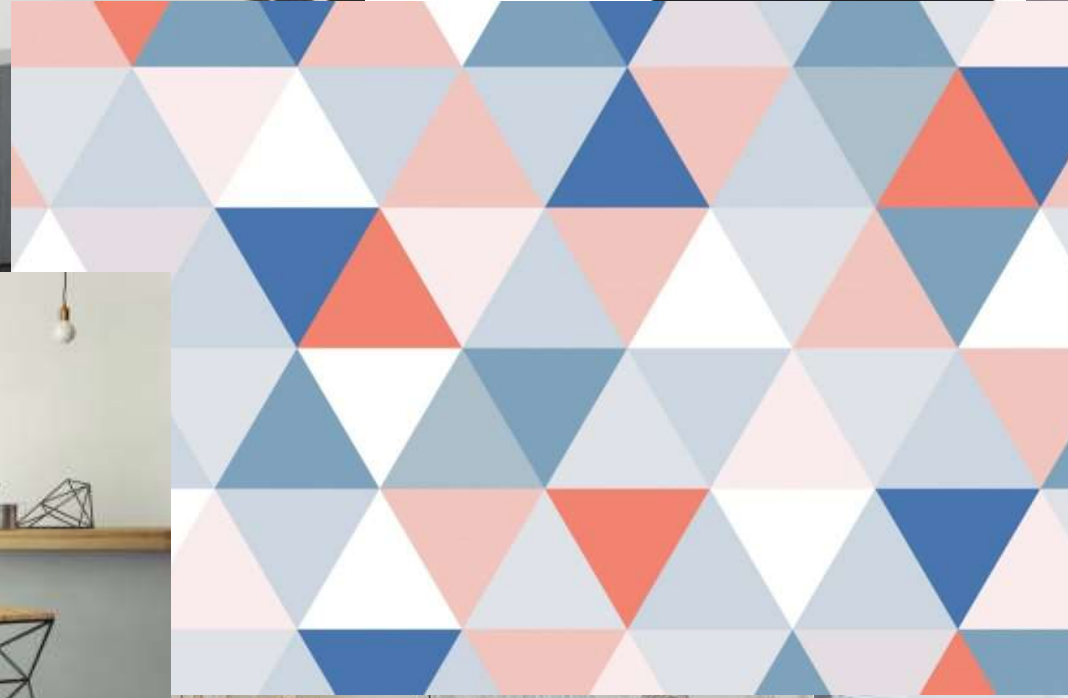

- Primarily white, grey, and charcoal
- Red and blue accents
- Red symbolizes physical creativity
- Blue symbolizes intellectual creativity
- Together these colors create a space that motivates and provokes thought
