Why would I feel most comfortable shopping alone here?

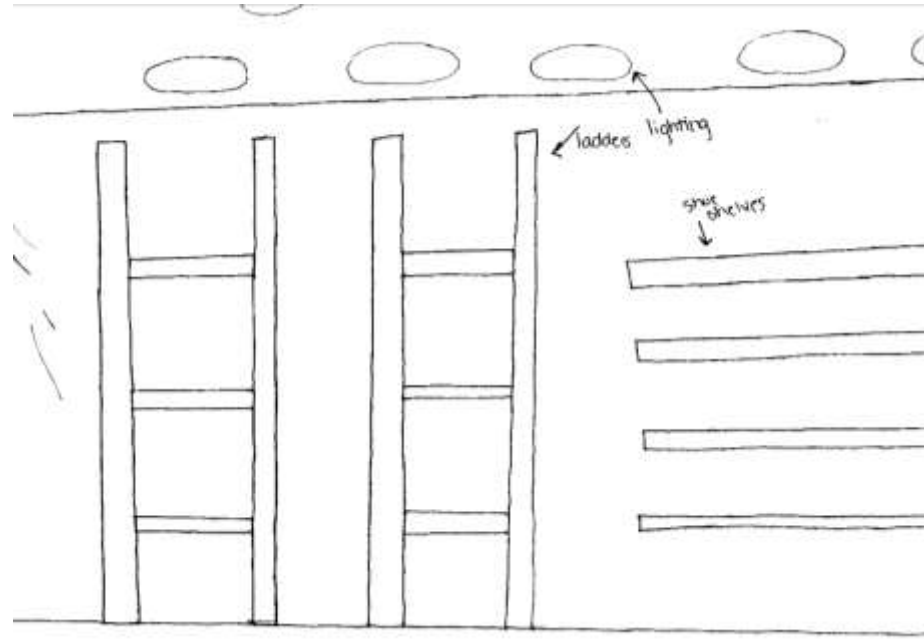

~location: small individual boutique downtown

~rustic-modern style: this is my personal favorite style so it makes me feel more than comfortable

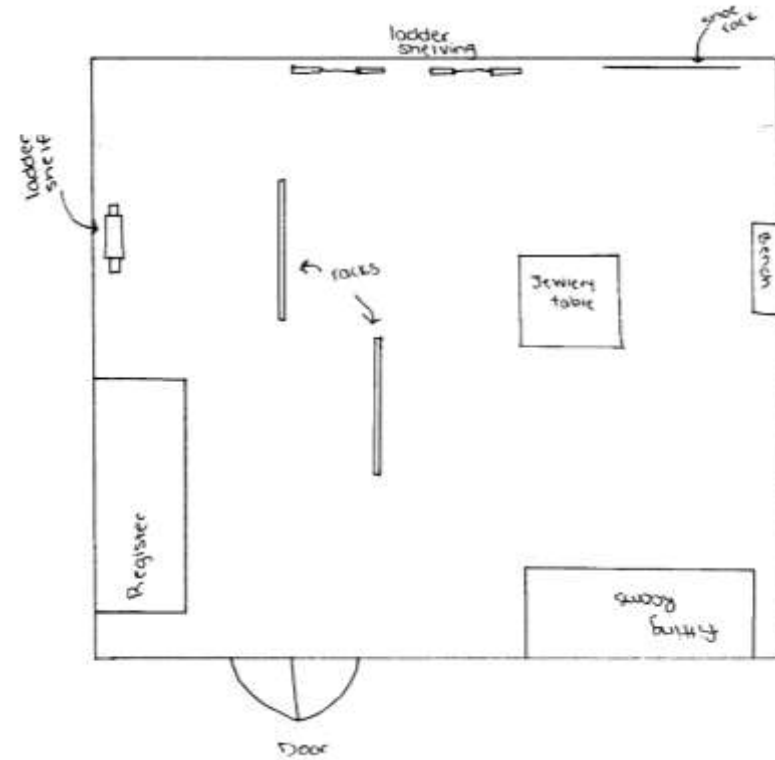

~spacious: this area is spaced out well organizing each section with a season or theme. You know where to look when you are shopping for something specific

Assignment 3B+C

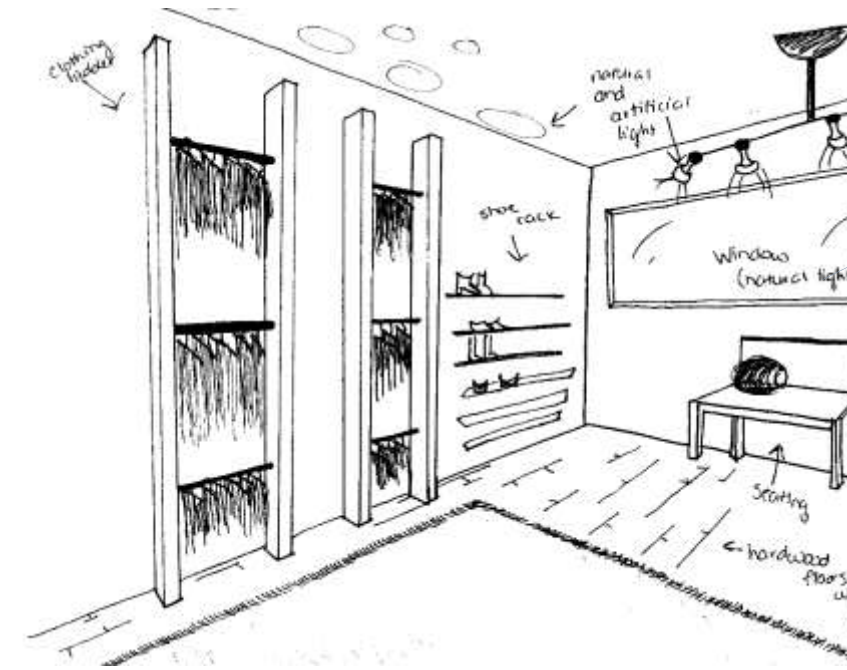

An area where I would feel most comfortable shopping alone-Perspective, Section, Plan, and Music Model Perspective

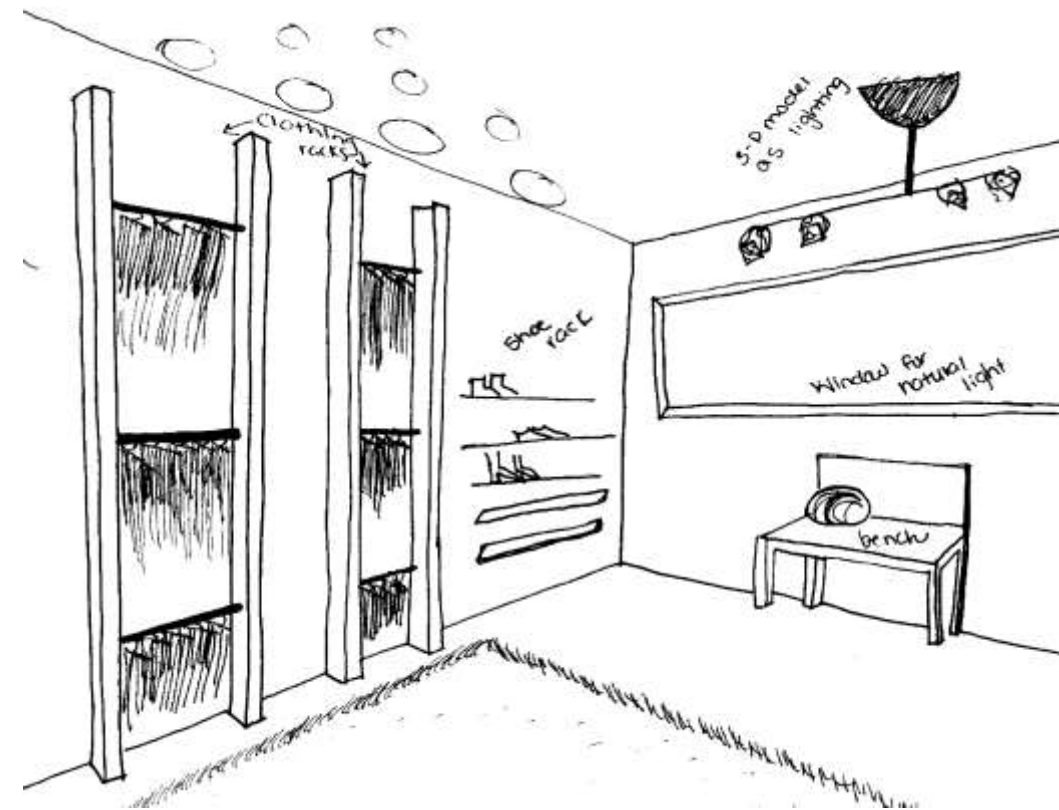

Section

Plan

Perspective

Perspective Music Model: used as lighting

Why would I feel most comfortable shopping alone with a snack/drink here?

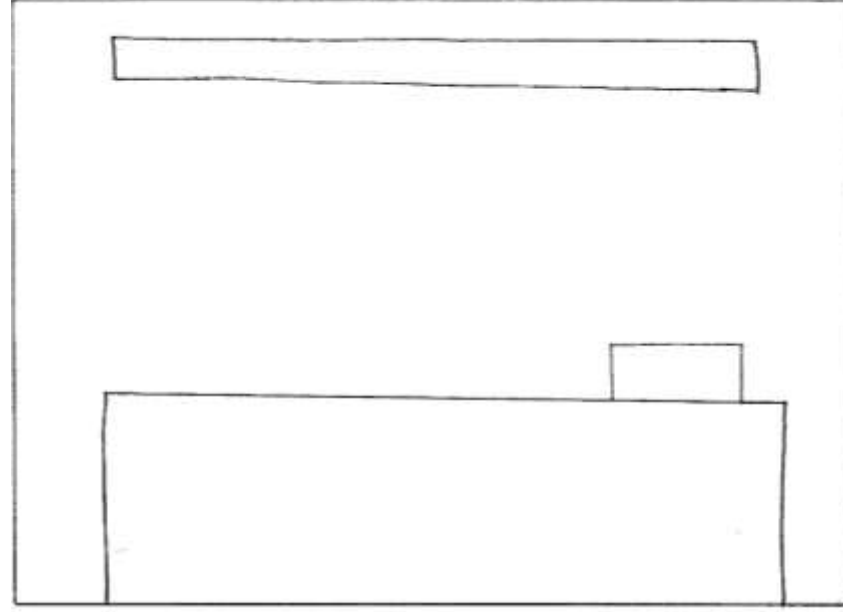

~Starbucks inside- grab a snack or drink and keep shopping

~Wide variety of things to buy-it is more than just clothes

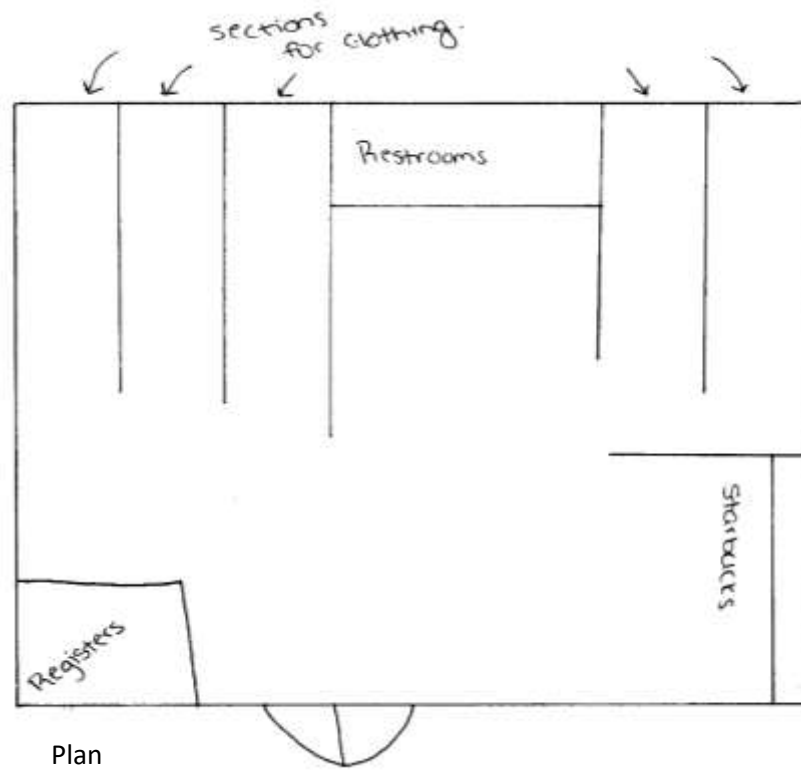

~Organized by each section so I would not feel overwhelmed

Assignment 3B+C

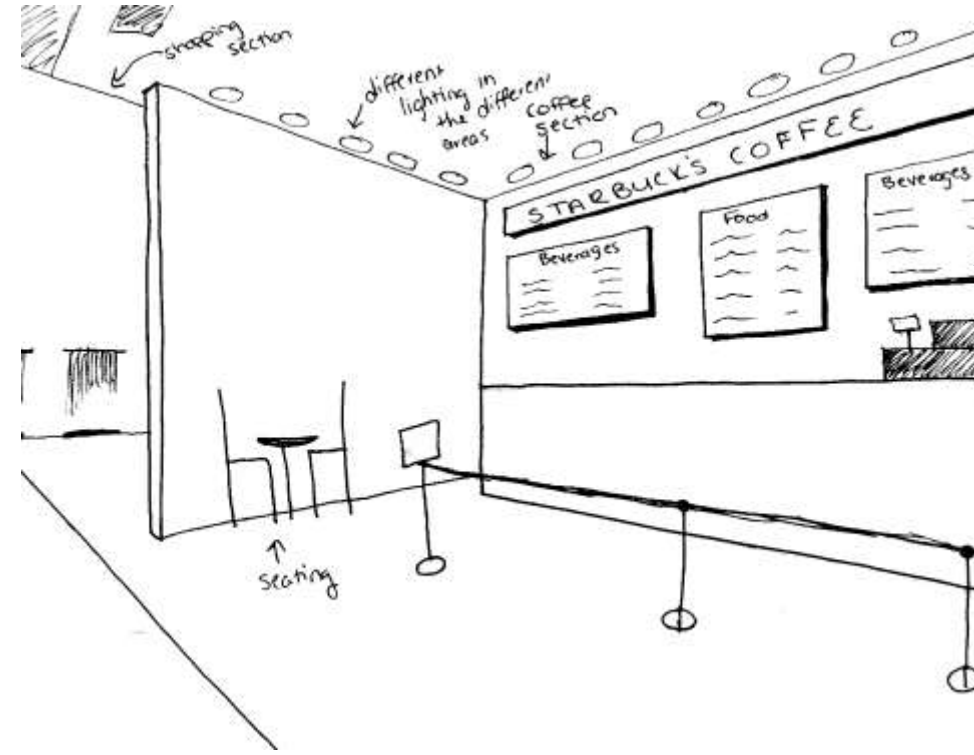

An area I would feel comfortable shopping alone with a snack/drink- Perspective, Section, Plan, and Perspective with Music Model.

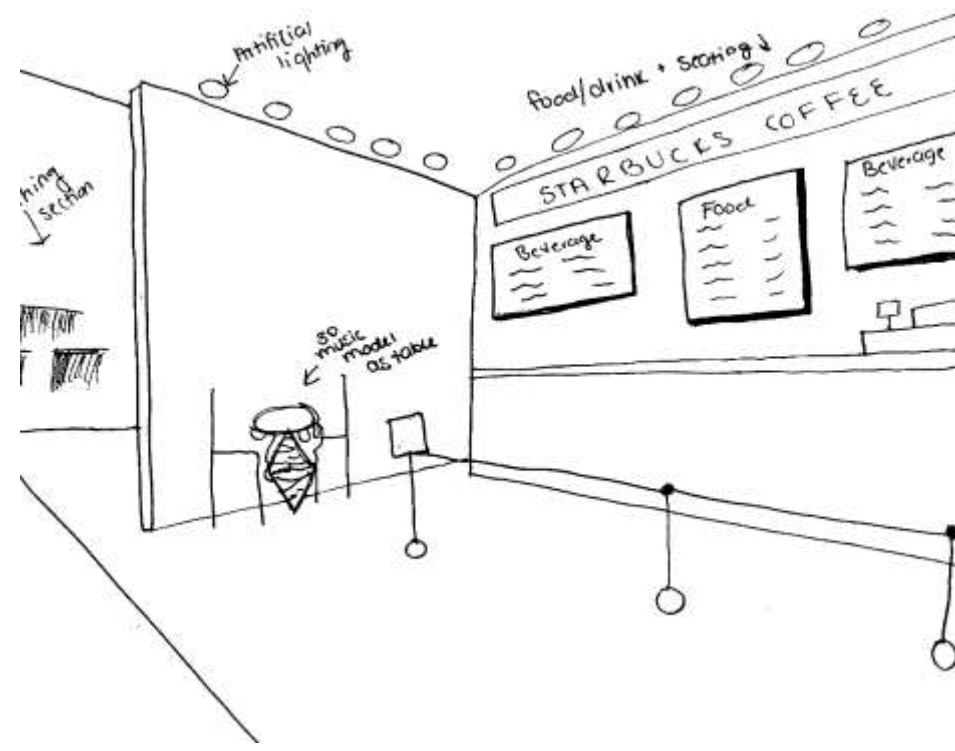

Section

Plan

Perspective

Perspective Music Model: used as table

Assignment 4

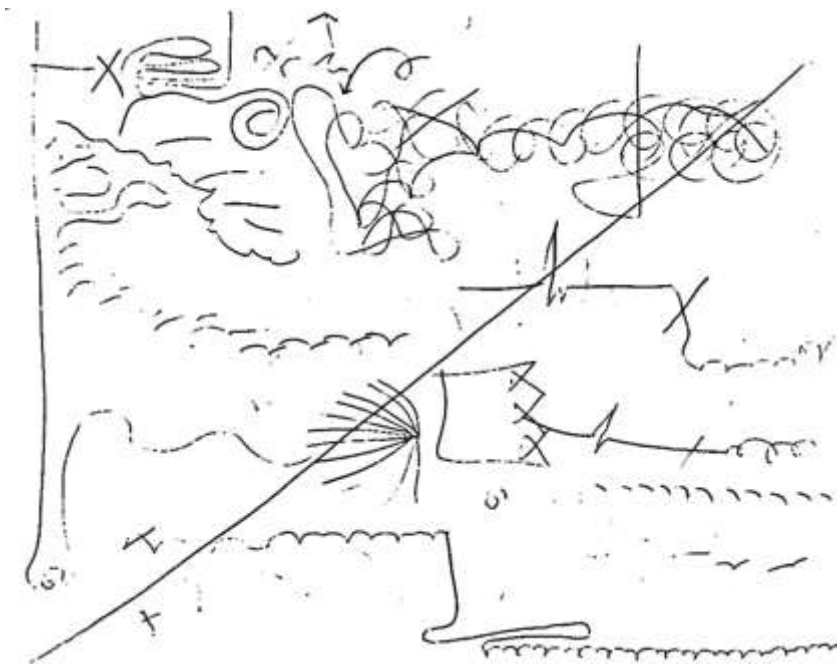

Drawing to Music- drawing while listening to the song 1, 2, and 3 times, then combining to complete a 4th drawing.

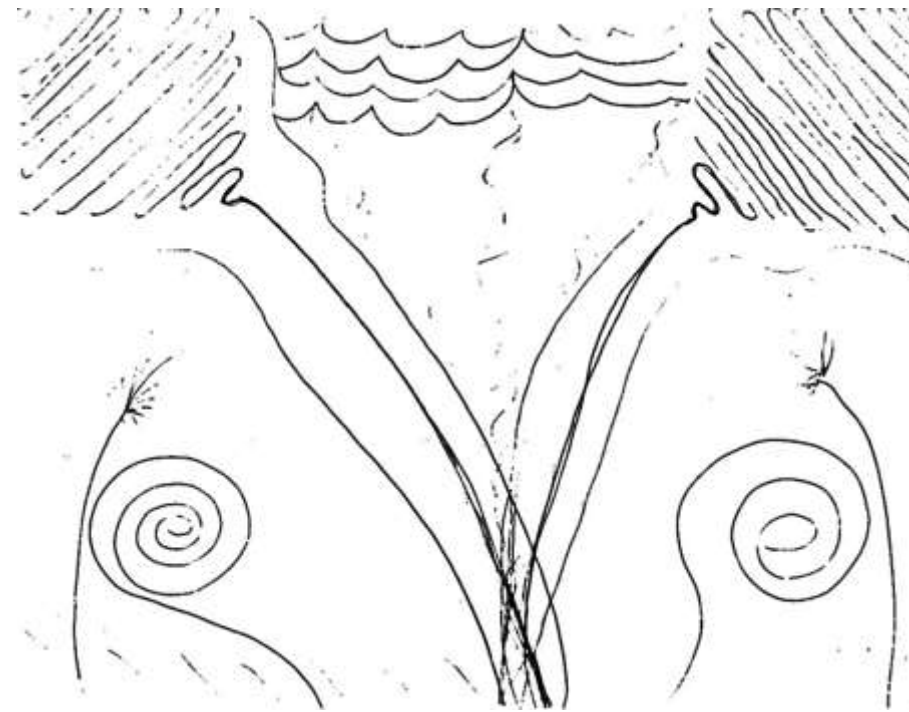

1st time listening

2nd time listening

3rd time listening

Combined sketch

Morghan Wallert

IDSN 2102 F19

Based off of the final drawing from assignment 4, I created this model showing flow throughout a space and being intertwined within yourself.

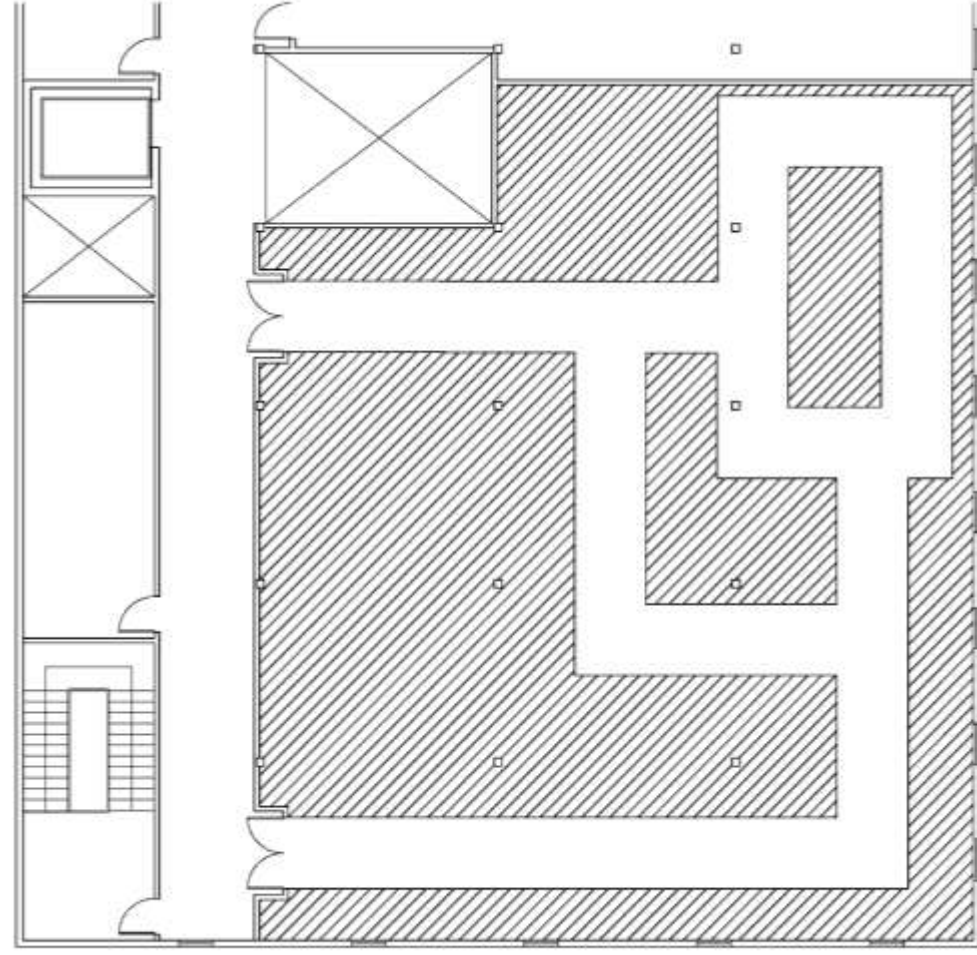

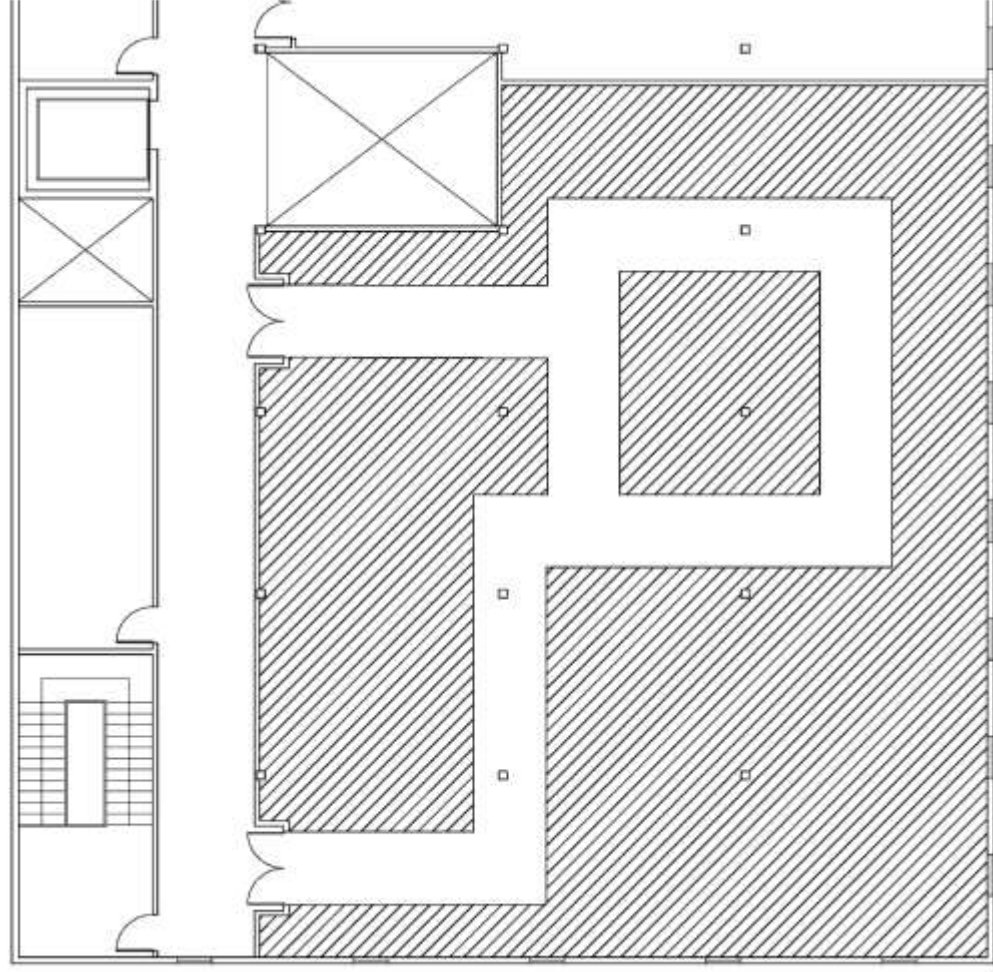

Assignment 5 Modeling to music
