

PORTFOLIO 3

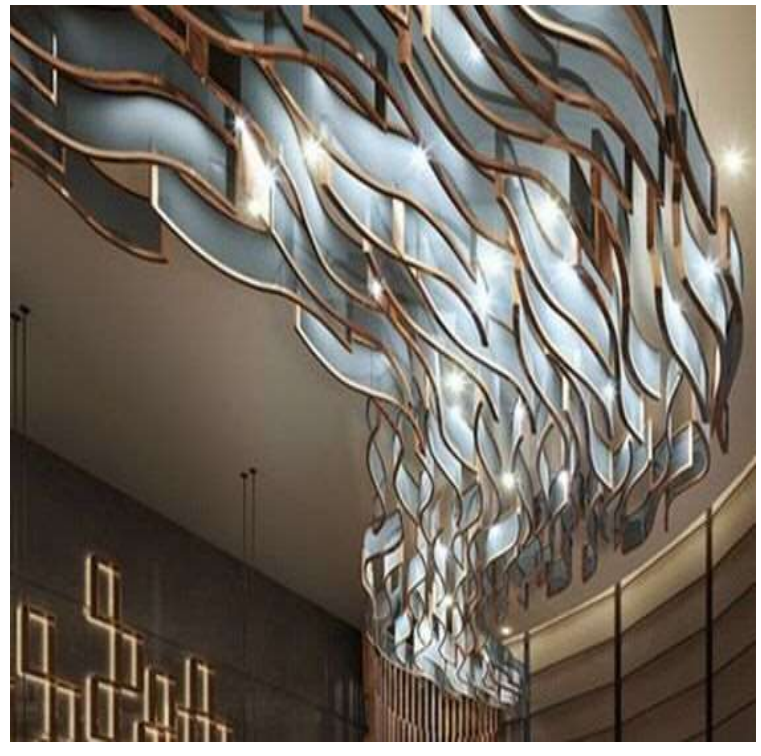

Rebekah Fry

- The Concept of this design is Millennial & Modern (M&M)
- Millennial is a new generation with new fresh ideas and this is the space for them to express their new ideas.
- The atmosphere of the design is clean lines with abstract features, which creates a modern feel.

- The color rational is very natural colors, from whites, to grays, to black; with a pop of color here and there.
