Assignment 1 – Research:

ECU Millennium Campus/Third Places

- Agricultural industrial building style.
- The third place being designed will be a “plant café”, creating a comfortable blend of outdoor greenery with indoor spaces.
- East Carolina University’s campus connecting with the community.
- White walls and minimalism with colorful, mid century modern furniture.
- Merging old buildings and building styles with fresh, modern interiors.
- Emphasis on the history of Greenville in the space.
- Use of tobacco plants in a creative way in the space (art or furniture).
- Low lighting.
- Warm wood flooring, with tile accents in bathrooms.
- Integrate outdoor spaces into the interiors: greenery.
- Integrate history of Greenville, NC and tobacco in the area.
- Offering beverages like coffee and tea.
- Cozy but sophisticated.

Assignment 2 Cont.-

Site Analysis

Site Analysis

- During the morning hours, light will come in through east facing windows.
- In the afternoon, light will come in through the west facing windows.
- The north and south facing windows will vary in light intake throughout the day, depending on the time of year.
