Assignment 9A – Concept

Concept:

- The primary inspiration is the early industrial era and early cigarette/cigar factories
- The design emulates the original look of the Flue Cured Tobacco Barn while taking on the function of a modern coffee house

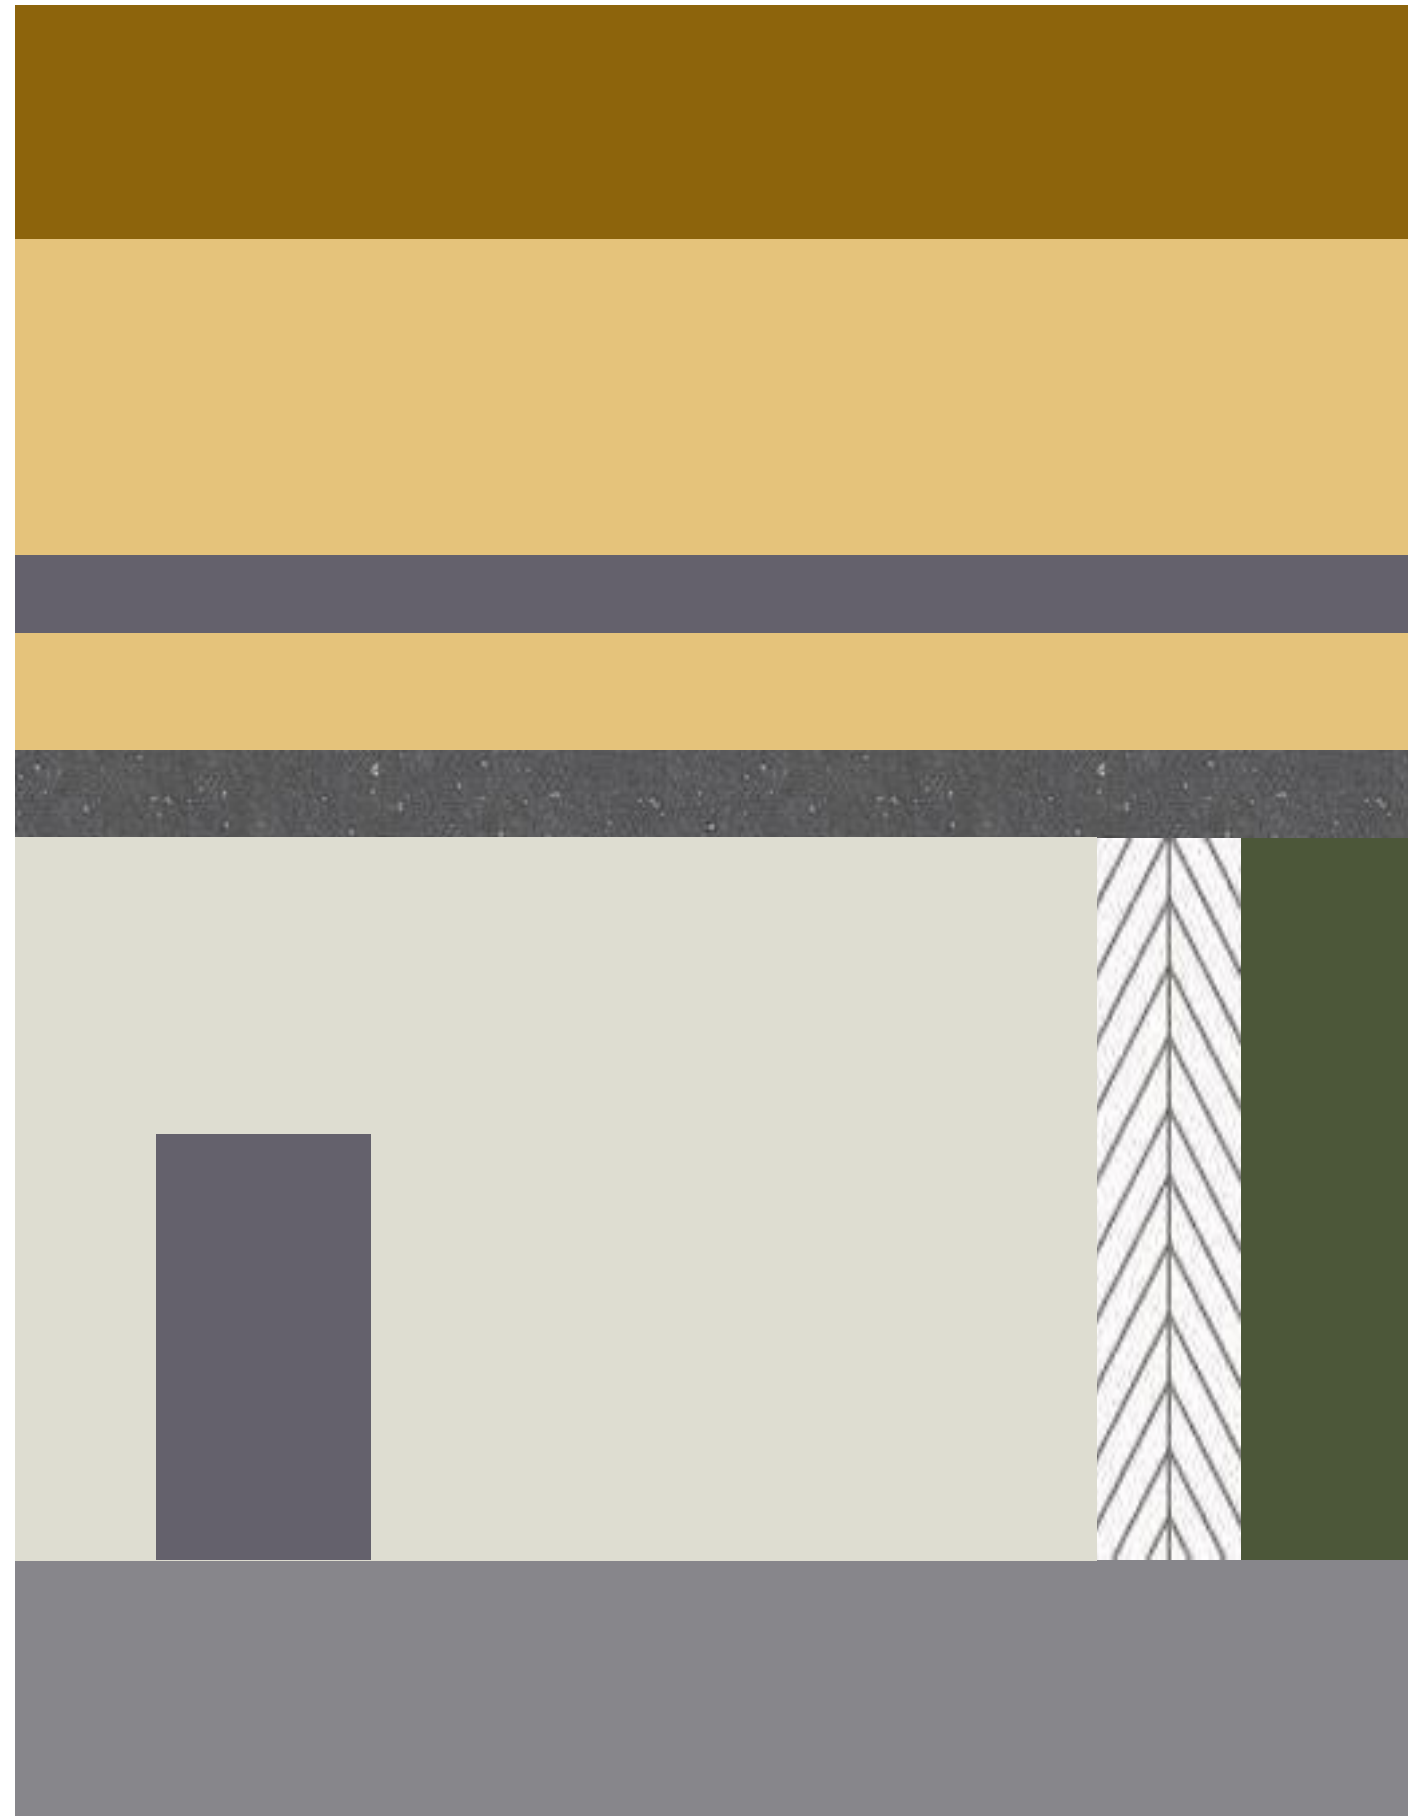

Barn for Flue Curing

Assignment 9B – Color Rationale

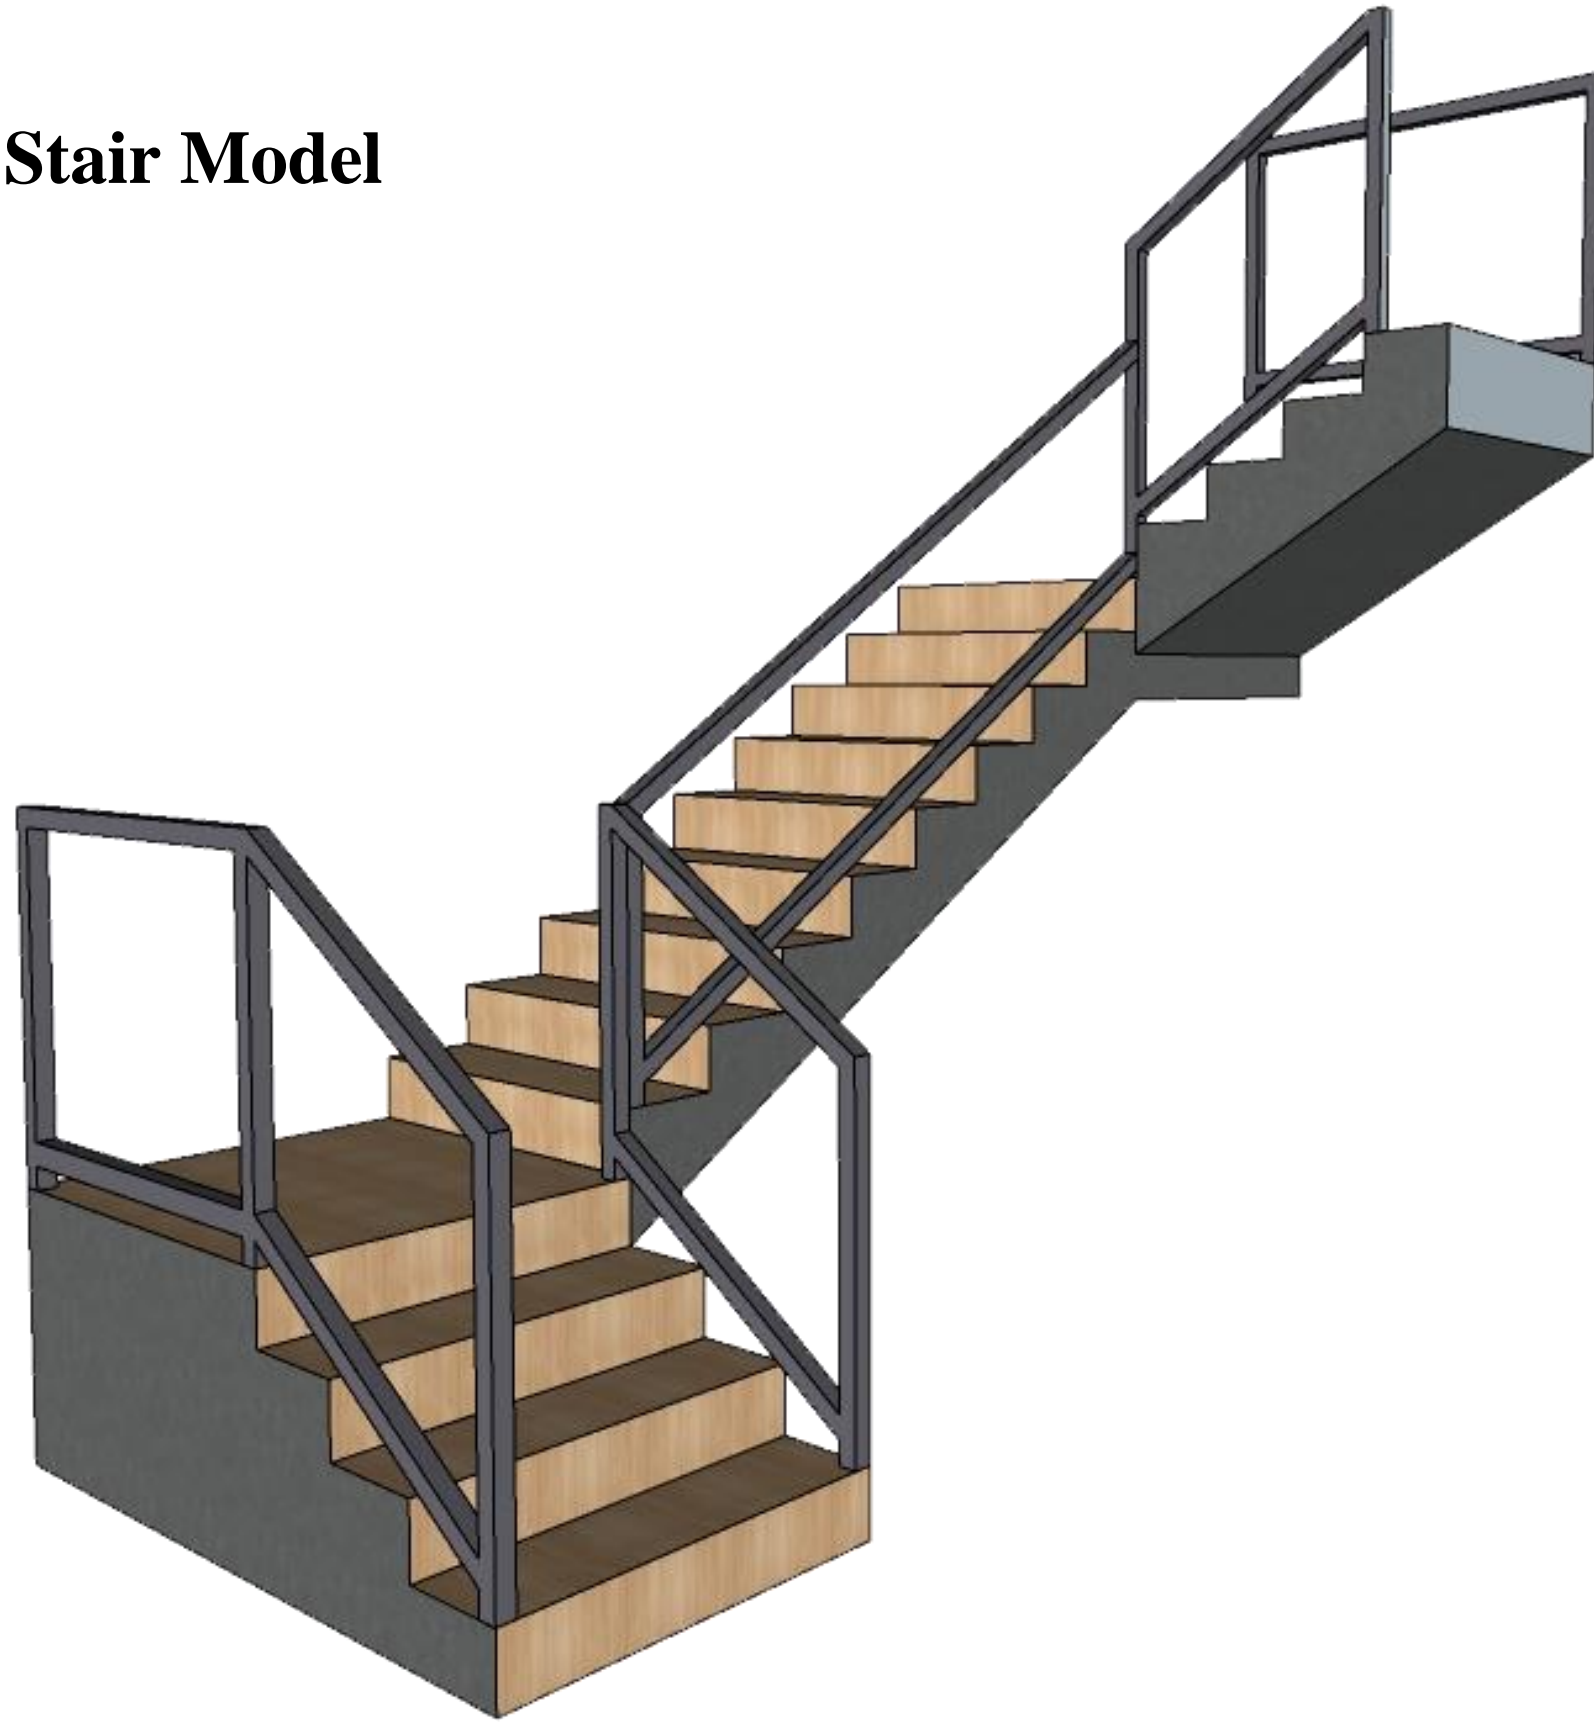

Color Rationale:

- The proposed color palette is inspired by the fields in which tobacco is grown
- The palette pulls on the physical beauty and cultural significance of the surrounding area
- The palette will aide in the development of a relaxing yet productive environment by maintaining a degree of visual softness
