IDSN 2102 F20

Assignment 9A- Concept

Southern porch comfort

Ties to Greenville, NC which is in
the south.

Many plantation homes were
where tobacco was grown in NC.

Plantation homes have large
porches.

Assignment 9B- Color Rationale

*Muted pastels with a pop of color
and pattern.*

Atmospheric Blue- blue ceilings in
the south were said to keep bad spirits
away

Iron Ore- sleek & neutral look for
furniture, not as harsh as black

White- classic white porch furniture
look

Leaf wallpaper- representative of
tobacco leaves, NC is known for
tobacco growing

Hearty orange- a pop of color to the
neutral muted color palette

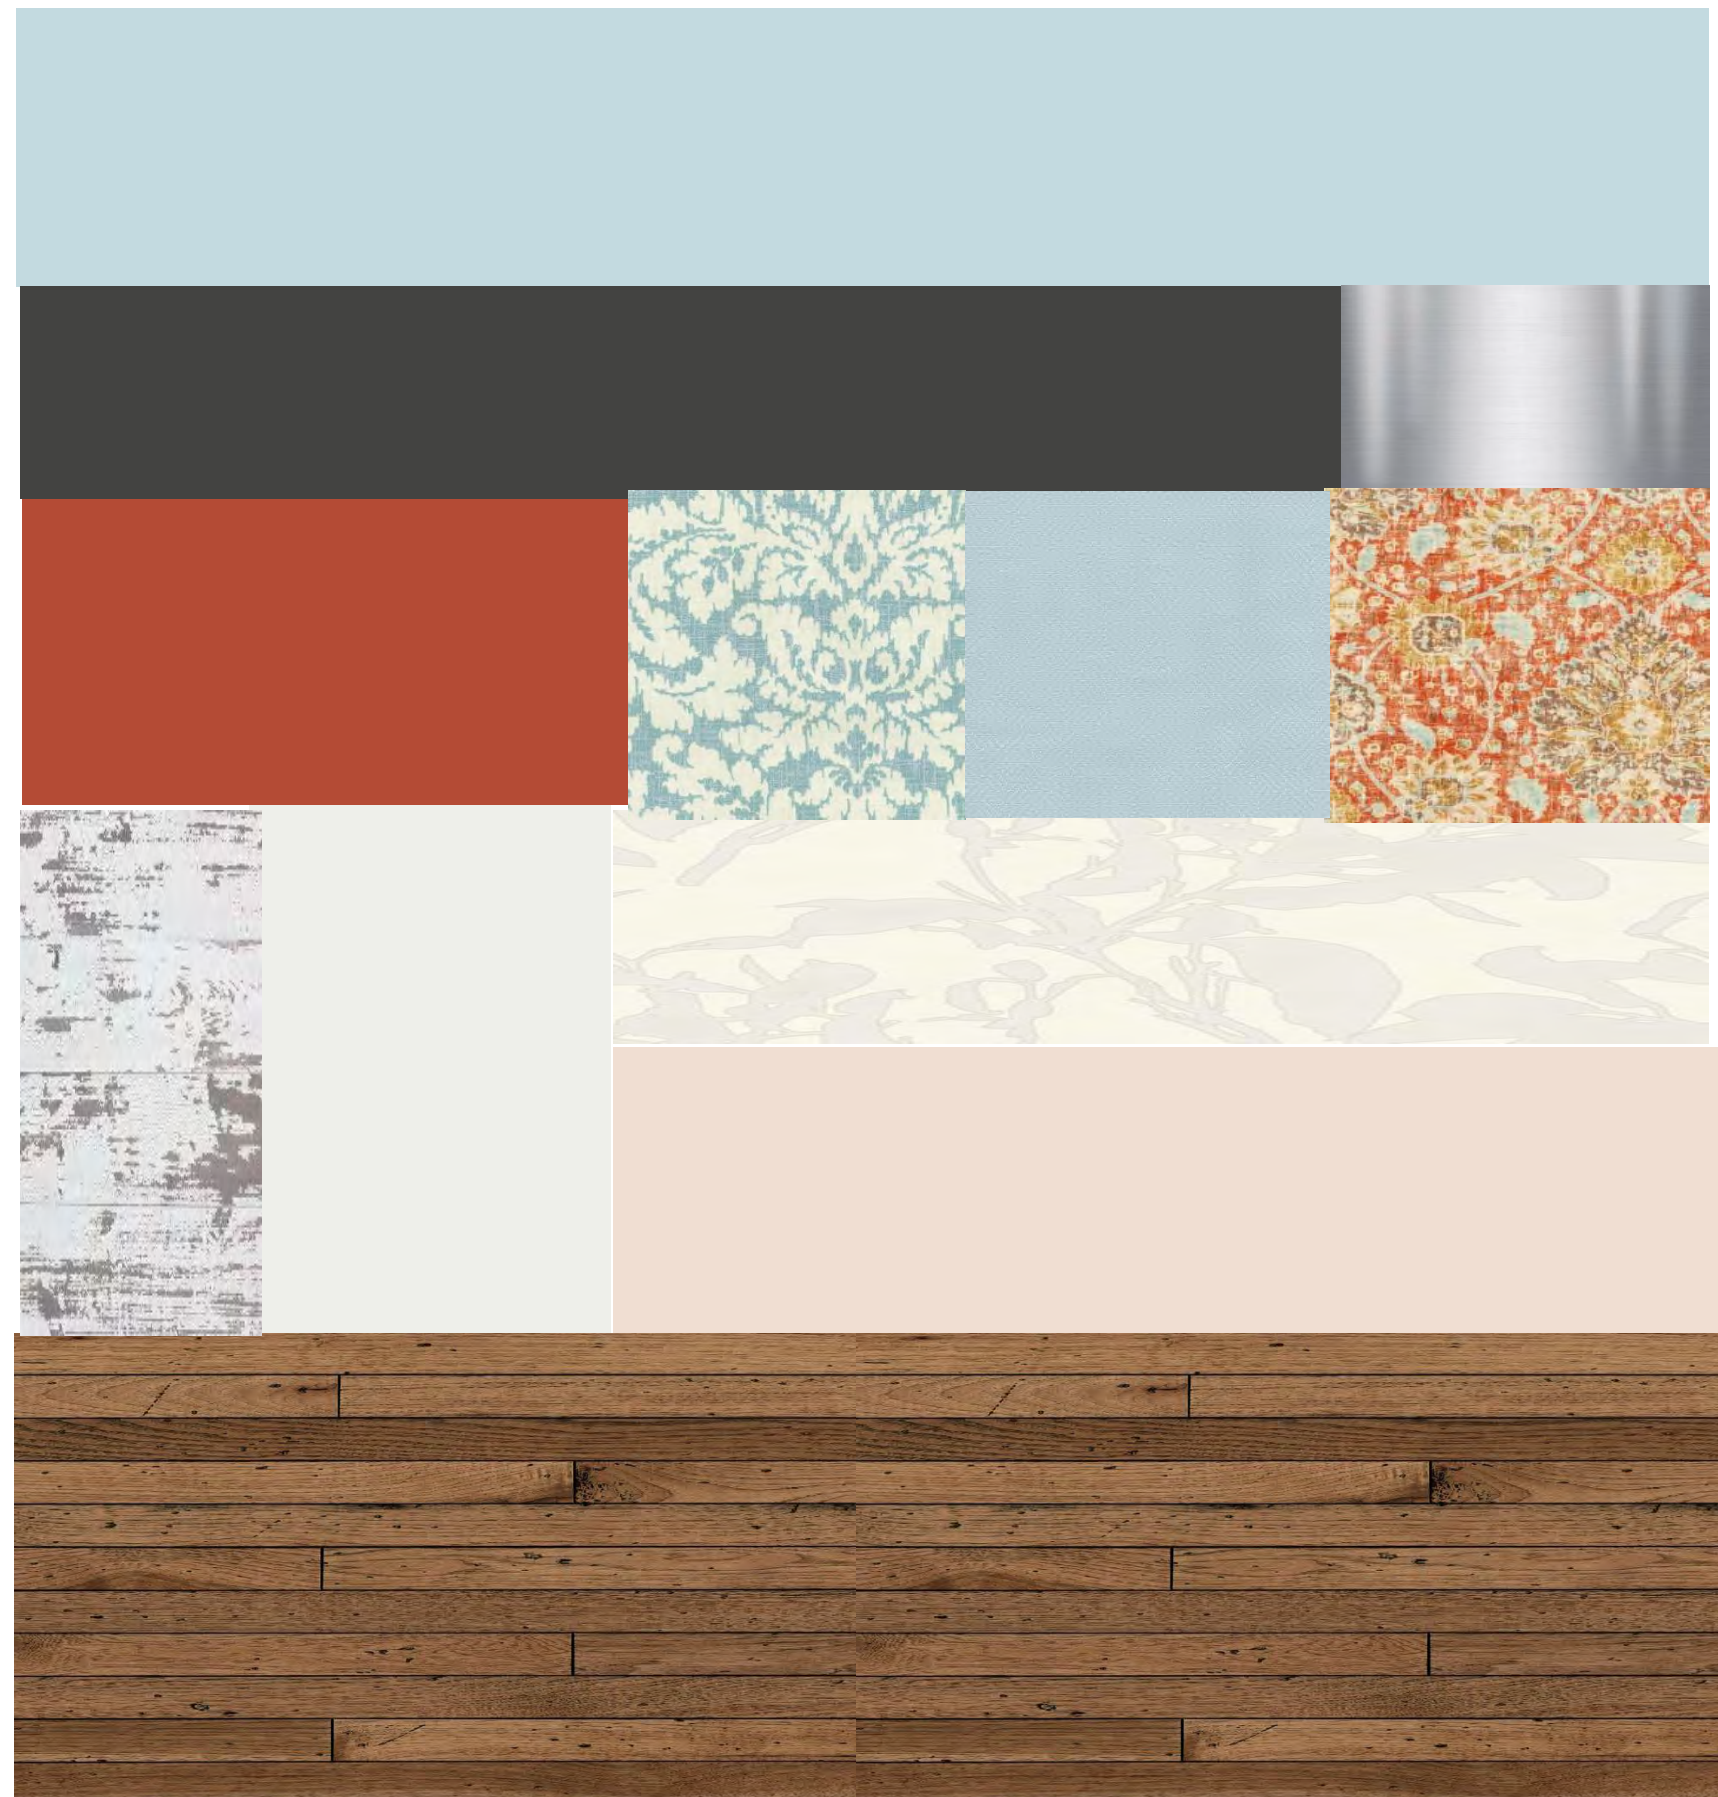

Peach- representative of the south
being known for peaches

Distressed wood- southern home
charm through flooring and beams

Patterned fabric- add texture and
pattern to the solid color palette
