Assignment 8 – Final Floor Plan

Second floor plan

First floor plan

Assignment 9A – Concept

- Coffee and smoothie shop to initiate a socialized environment
- Low lighting to create a welcoming space
- Subtle pops of color to highlight rustic features
- Rustic features like distressed counters, exposed beams, and industrial railing around stairs 2nd floor opening to correlate with the history of both the tobacco barn and the site

Assignment 9B - Color Rationale

- Use of greys to create a cool, visual break from a warm, brown-dominated space
- Browns to provide a rich, earthy, enveloping characteristic
- Soft tones to create an inviting space with features to create focal points
- Tones of blues and greens in furniture to contrast with the greys and browns

Assignment 10 – Final Stair Model
