

Toyin Adebiyi IDSN 3600 Interior Design III Systems Fall 2014

Movement and Stability:

-The location of Art and local business

- -Art being a big part of Richmond because
- of VCU: Movement
- -Business such as Law and
- medicine gives structure: Stability
- -Movement will show concept areas where as
- Stability will be quiet work areas

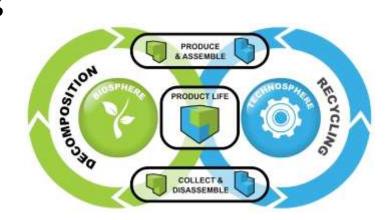

Sustainability Statement

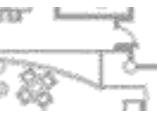

- Recycled Woods
- Recycled Carpets/Flooring
- Eco-Friendly Lighting
- Embodied energy

Adaptive reuse of Building The materials will not just be previously recycled, but can also be broken down and re-used when carpet needs to be changed with the idea of Cradle to Cradle

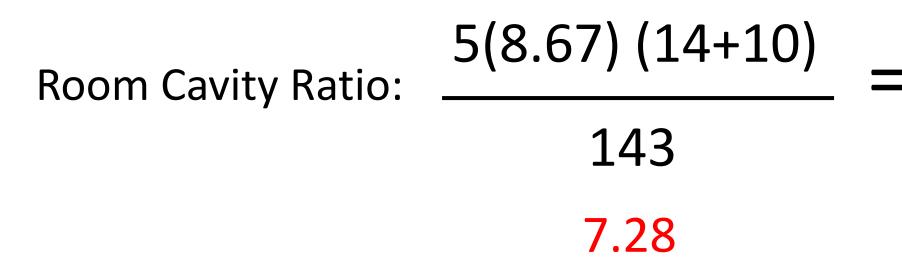

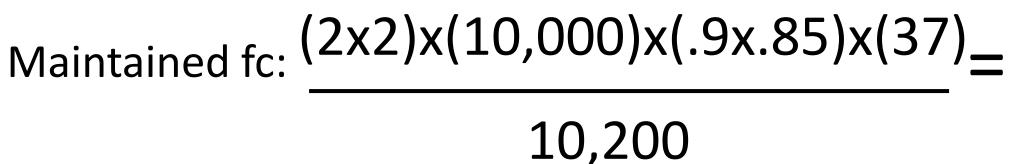

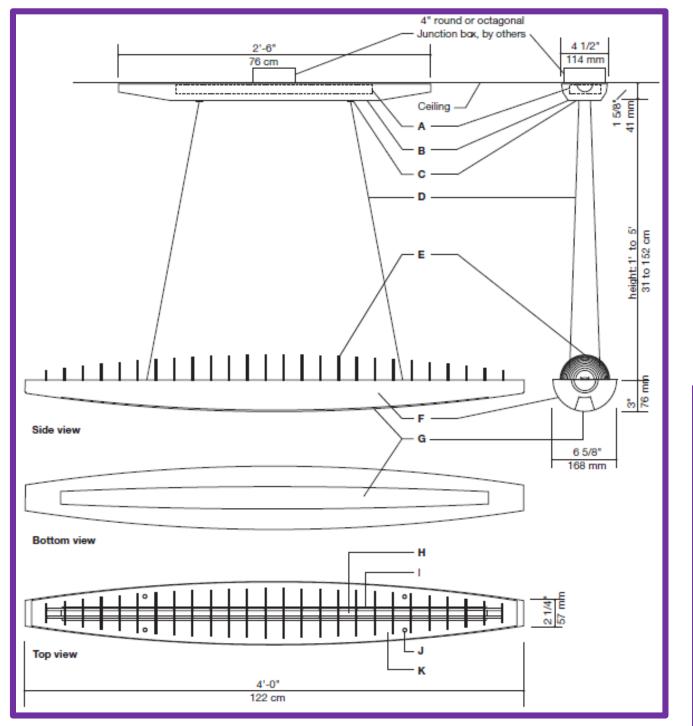

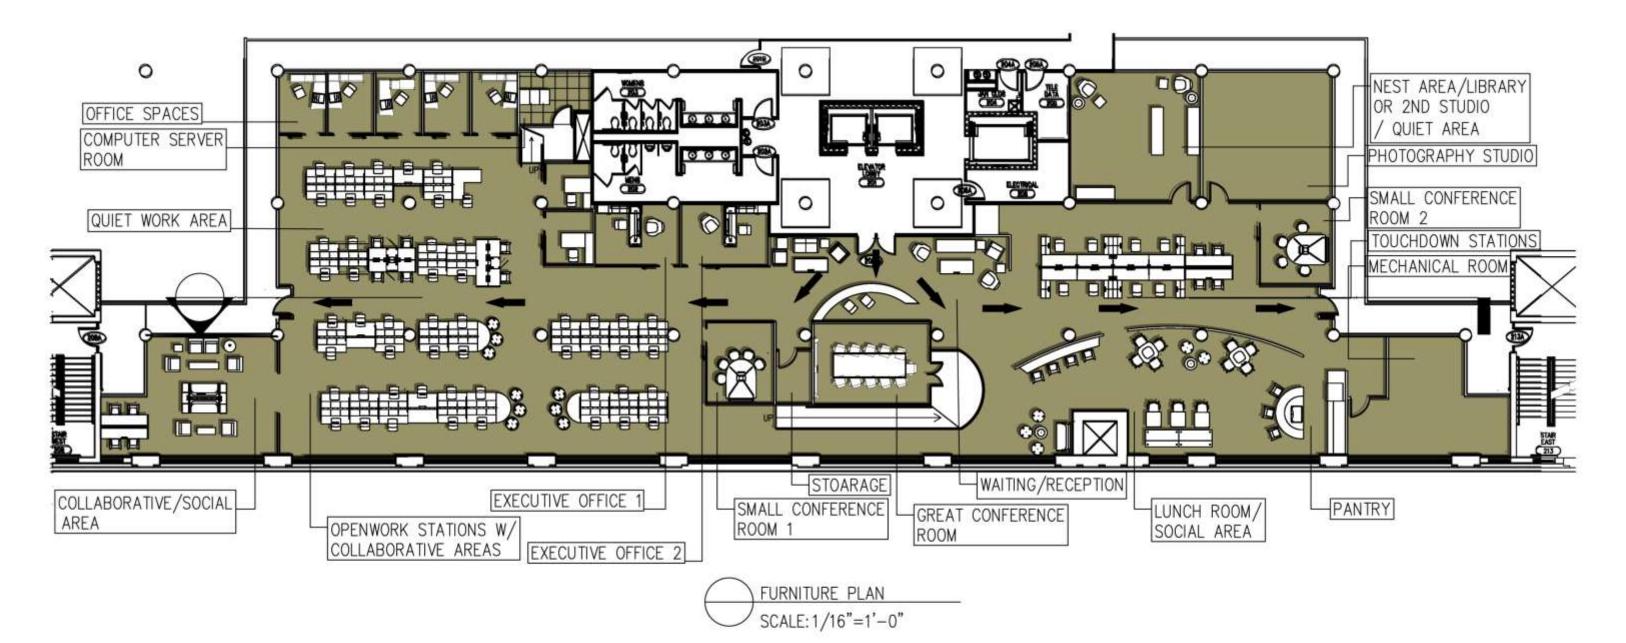

- A Mounting Chassis
