CONCEPT STATEMENT

- ❖ **ECO-FRIENDLY DESIGN IS THE MAIN CONCEPT OF THE SPACE. USING ENVIRONMENTALLY CONSCIOUS MATERIALS ENHANCES THE IDEA OF GREEN DESIGN IN THE AREA. GREENERY HELPS BRING IN FRESH AIR WHICH BRINGS PEOPLE INTO THE SPACE.**

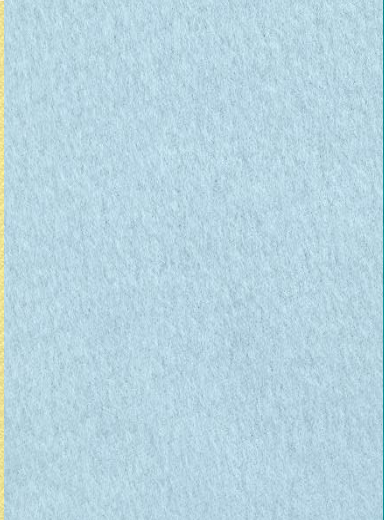

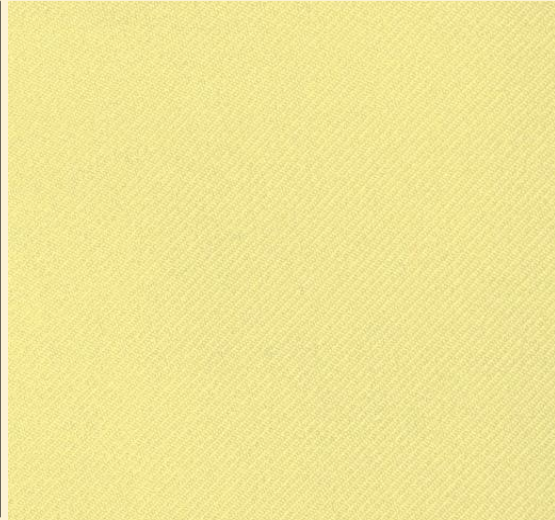

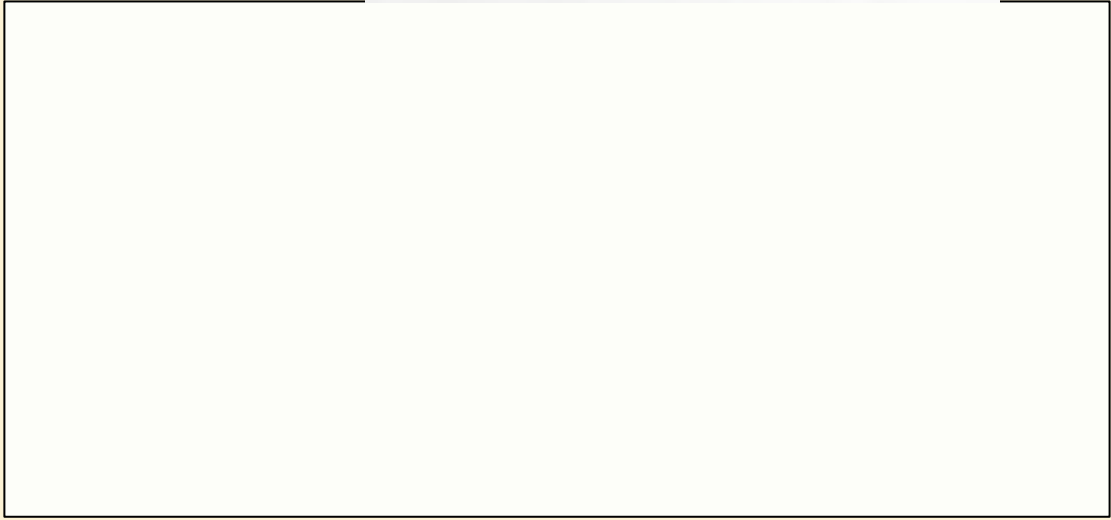

COLOR RATIONALE

- ❖ THE COLOR PALETTE CONSISTS OF BLUES, WHITE, YELLOWS, AND LIGHT BROWN. THESE COLORS WERE CHOSEN TO GIVE A SENSE OF CLEAN AND CALM, GIVING CLIENTS A SPACE TO RELAX WHILE ALSO BEING ABLE TO WORK IN AN ENVIRONMENT THAT IS NOT TOO OVERBEARING. THESE COLORS REPRESENT BEACHES AND OCEANS, PARTICULARLY THE WATER AND SAND, WHICH HELP GIVE THE DESIRED CALM ATMOSPHERE.
