

Portfolio 4

IDSN 3102 Fall Semester

Natalya Hall

Color Rationale:

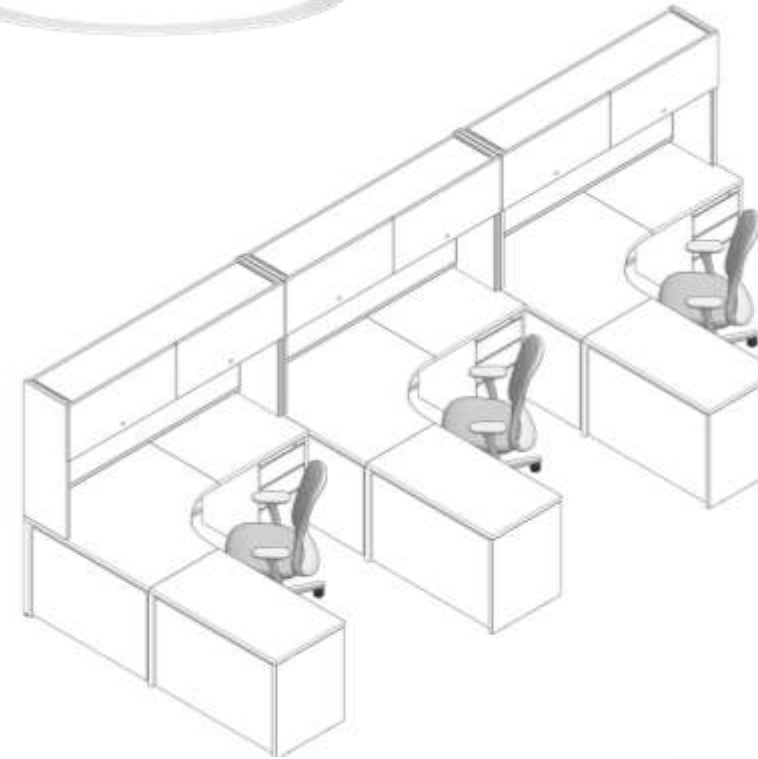

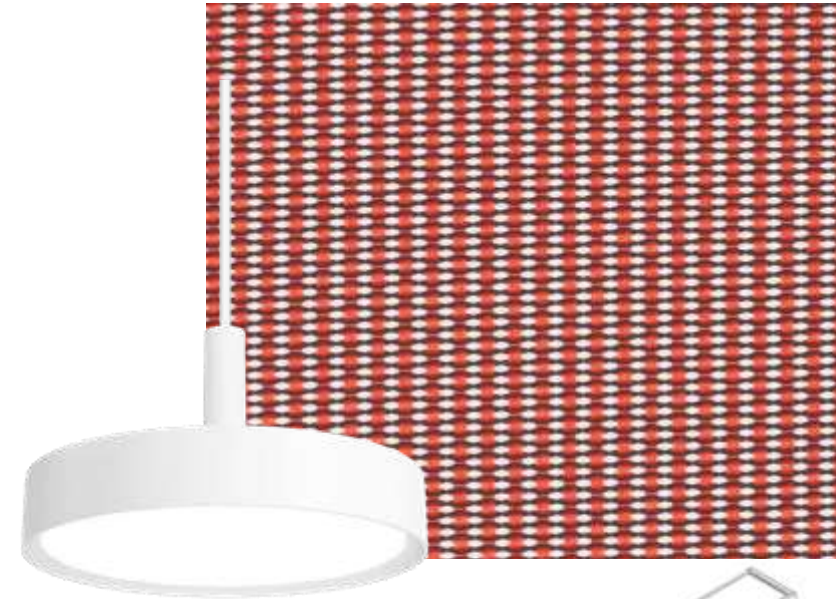

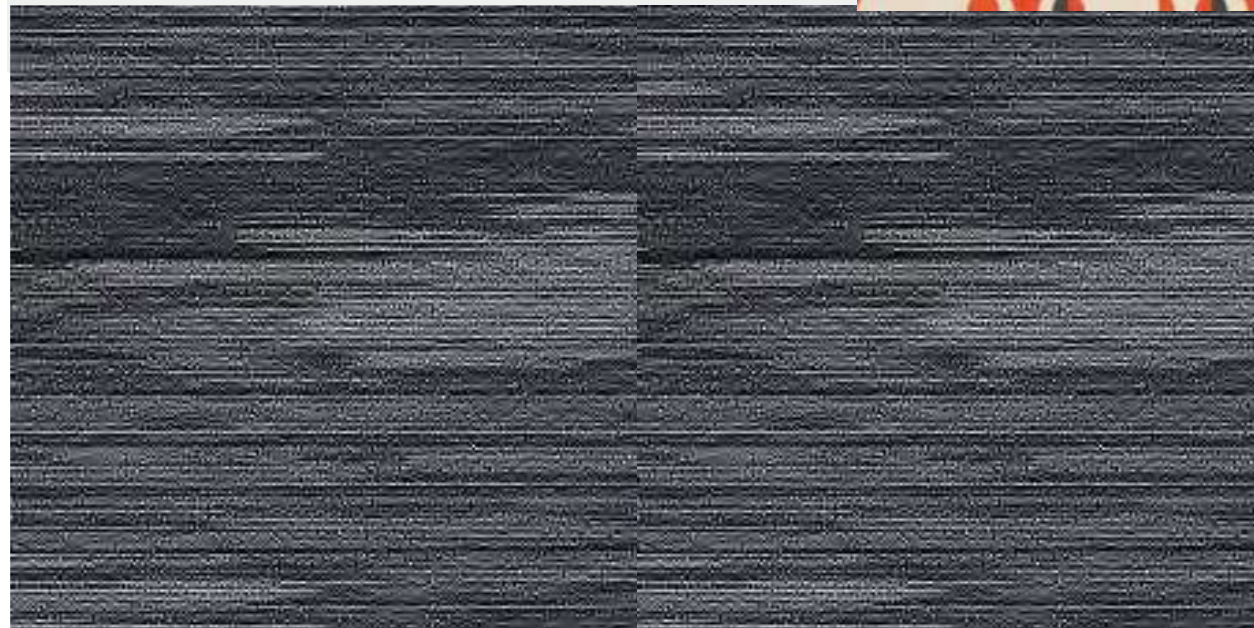

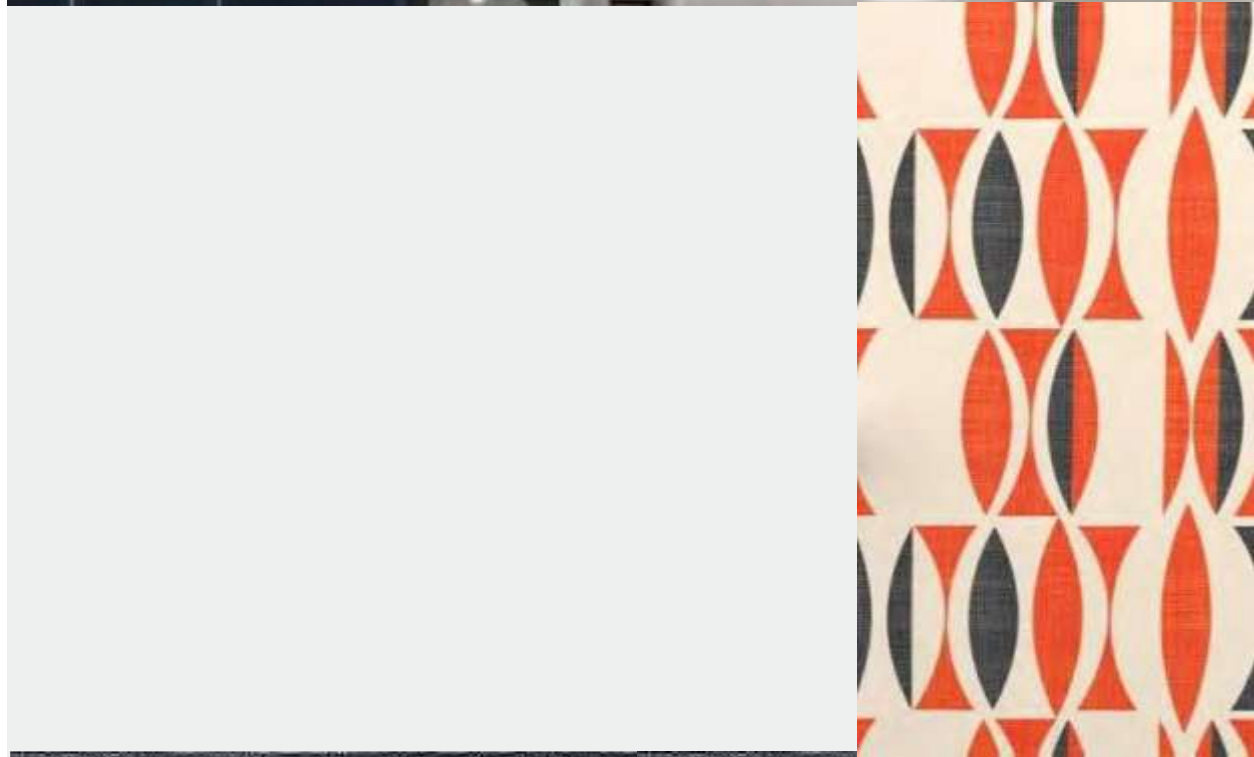

- The design incorporates various shades and textures of Herman Millers iconic red color.
- Along with the bold red throughout the space there are sleek white surfaces and walls.
- Lighter natural wood tones used in the flooring.
- The design uses a mix of iconic Herman Miller furniture as well as some of their more recent designs.
- A bold wallpaper will tie in the red while also adding visual interest to the space.
