Color Rationale

- **Furniture** - Furniture finishes are vibrant and eye-catching to entice passerby into the showroom
- **Walls** - Colorful and dynamic wall coverings serve as visually-intriguing backdrops for showroom product
- **Diversity of Colors** - Herman Miller products are featured in a variety of colors and materials to showcase diversity of available materials/finishes
- **Overall** - The overall objective of the colors utilized in the space is to entice passerby into the showroom, as well as showcase an array of Herman Miller materials and finishes
