# DESIGN STORYLINE

PAT AND FRAN MET IN AN HONORS SOCIETY WHILE THEY WERE ATTENDING SCHOOL AT PENNSYLVANIA STATE. UPON LEARNING THAT FRAN WAS DEAF, PAT (WHO KNEW SIGN LANGUAGE DUE TO A DEAF AUNT) ACTED AS HER TRANSLATOR AT THE WEEKLY MEETINGS. THE TWO QUICKLY STRUCK UP A FRIENDSHIP WHICH SOON TURNED TO MORE.

THE TWO WERE BORN A YEAR APART, SO WHILE FRAN LEFT FOR YALE TO GET HER MASTER'S DEGREE IN NUCLEAR PHYSICS, PAT STAYED IN PHILADELPHIA TO FINISH HIS DEGREE IN DECORATIVE ARTS. SINCE THEY COULD NOT TALK ON THE PHONE WHILE THEY WERE LONG DISTANCE, THEY WROTE LETTERS BACK AND FORTH WHICH FRAN STILL HAS TO THIS DAY.

THE COUPLE EACH RECEIVED TEACHING POSITIONS AT THE UNIVERSITY OF PITTSBURGH WHERE THEY STAYED FOR MANY YEARS. DURING THE SUMMER WHEN SCHOOL WAS OUT, THE COUPLE WOULD SPEND THE MONTHS TRAVELING AROUND THE WORLD, ALWAYS BRINGING BACK ITEMS FROM THE VARIOUS PLACES THEY VISITED. WHEN PAT AND FRAN HAD CHILDREN, DALE AND DANA, THEY TOO WOULD TRAVEL WITH THEIR PARENTS AROUND THE WORLD. THE PARENTS FELT THAT IT WAS IMPORTANT FOR THEIR CHILDREN TO LEARN ABOUT OTHER CULTURES. THIS WORLDY UNDERSTANDING LED BOTH CHILDREN TO HAVE A NEED TO HELP OTHERS. DALE STAYED IN PITTSBURGH TO RUN A NONPROFIT ORGANIZATION TO HELP STARVING CHILDREN WHILE DANA BECAME A MEDICAL OFFICER IN THE MARINE CORPS. WHILE DANA WAS DEPLOYED IN IRAQ, A MISSILE HIT HER TRANSPORT VEHICLE AND SHE TRAGICALLY LOST HER LEGS.

FRAN HAS ALREADY RETIRED AND IS ENJOYING HER MANY HOBBIES - READING, GARDENING, AND COOKING. PAT WILL BE RETIRING IN THE NEXT FIVE YEARS. THE COUPLE PLANS ON MOVING TO GREENVILLE WHEN PAT RETIRES TO BE CLOSER TO DANA, WHO IS CURRENTLY IN FAYETTEVILLE. THE COUPLE WOULD LOVE TO SPEND THEIR GOLDEN YEARS IN A LUXURY CONDO WITH PLENTY OF ROOM FOR ENTERTAINING. PAT, DUE TO HIS LOVE OF DECORATIVE ARTS, WOULD PREFER A PLACE WITH CHARACTER THAT REFLECTS THE HISTORICAL STYLES HE TEACHES IN HIS CLASSES. THE COUPLE IS ALSO ADAMANT ABOUT HAVING A UNIVERSALLY DESIGNED SPACE SINCE DANA WILL BE SPENDING A LOT OF TIME IN GREENVILLE AND DALE WILL VISIT AS OFTEN AS HE CAN.

THE COUPLE WILL BE BRINGING MANY ITEMS FROM THEIR TRAVELS TO THEIR NEW HOME, WITH THE BIGGEST PIECES BEING: AN HEIRLOOM SETTE, A DINING TABLE AND SIX CHAIRS, A DECORATIVE VITRINE, AND A LARGE PIECE OF ARTWORK.

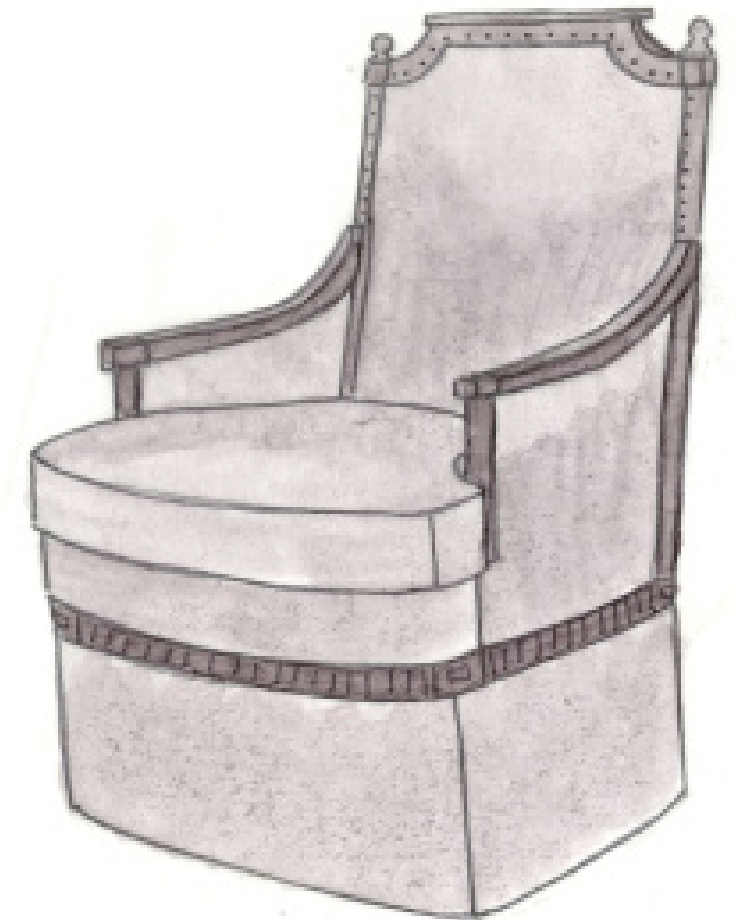

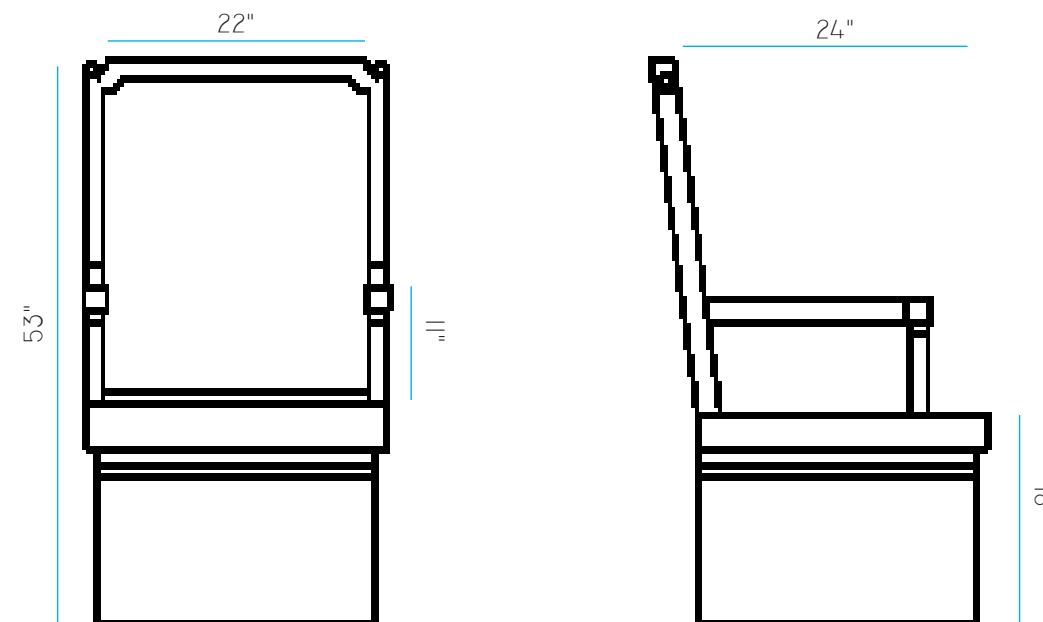

# SEATING UNIT

PAT, WITH HIS LOVE OF HISTORICAL STYLES, REQUESTED AN ANTHROPOMETRIC CHAIR IN THE STYLE OF A LOUIS XVI CHAIR HIS GRANDPARENTS HAD WHEN HE WAS A CHILD. USING ANTHROPOMETRIC MEASUREMENTS, I CREATED A CHAIR WITH DIMENSIONS SUITABLE FOR PAT AND FRAN, WHOSE MEASUREMENTS FALL BETWEEN THE 5TH AND 50TH PERCENTILES.

THE BACK OF THE CHAIR IS TALL ENOUGH TO GIVE EACH USER PROPER SUPPORT, AS WELL AS A SLIGHT RECLINE FOR COMFORT. THE ARMS OF THE CHAIR ARE A MEASUREMENT THAT ASSURES THAT THE WEIGHT OF THE USER'S ARMS IS SUPPORTED BY THE CHAIR AND NOT THE USER'S BACK, WHICH IS ESPECIALLY IMPORTANT FOR AN AGING COUPLE. THE CHAIR IS ALSO AT A HEIGHT THAT WILL ALLOW THE COUPLE TO SIT DOWN AND GET UP EASILY.

SINCE PAT AND FRAN HAVE GRANDCHILDEN THAT VISIT OFTEN, I ADDED A GLIDER TO THE BOTTOM OF THE CHAIR AND ADDED UPHOLSTERY TO COVER THE MECHANISM. THEY PLAN TO PUT THE CHAIR IN THE GUEST BEDROOM SO THEIR GRANDCHILDREN CAN BE ROCKED TO SLEEP.
