

MEREDITH PAYNE

PORTFOLIO 3

IDS N 4500

ENTRY

I woke up to my brother yelling, telling me to get up. It was cold and dark, I was sitting on something hard, poking my legs.

TO GREAT ROOM

I wasn't really sure what was happening, I think I saw the dog walk by. I was half asleep, it took me a while to know where I was.

GREAT ROOM

“Wake up, Margaret wake up!” My brother picked me up and I slowly started to recognize my surroundings.

KITCHEN

I saw the farm, the cows were sleeping off in the distance. Then I saw the barn with the flood light on, I was outside my house.

LIVING ROOM

It hurt my feet to walk on the rocks, I'm glad Charlie is here so I can lean against him.

MASTER BEDROOM

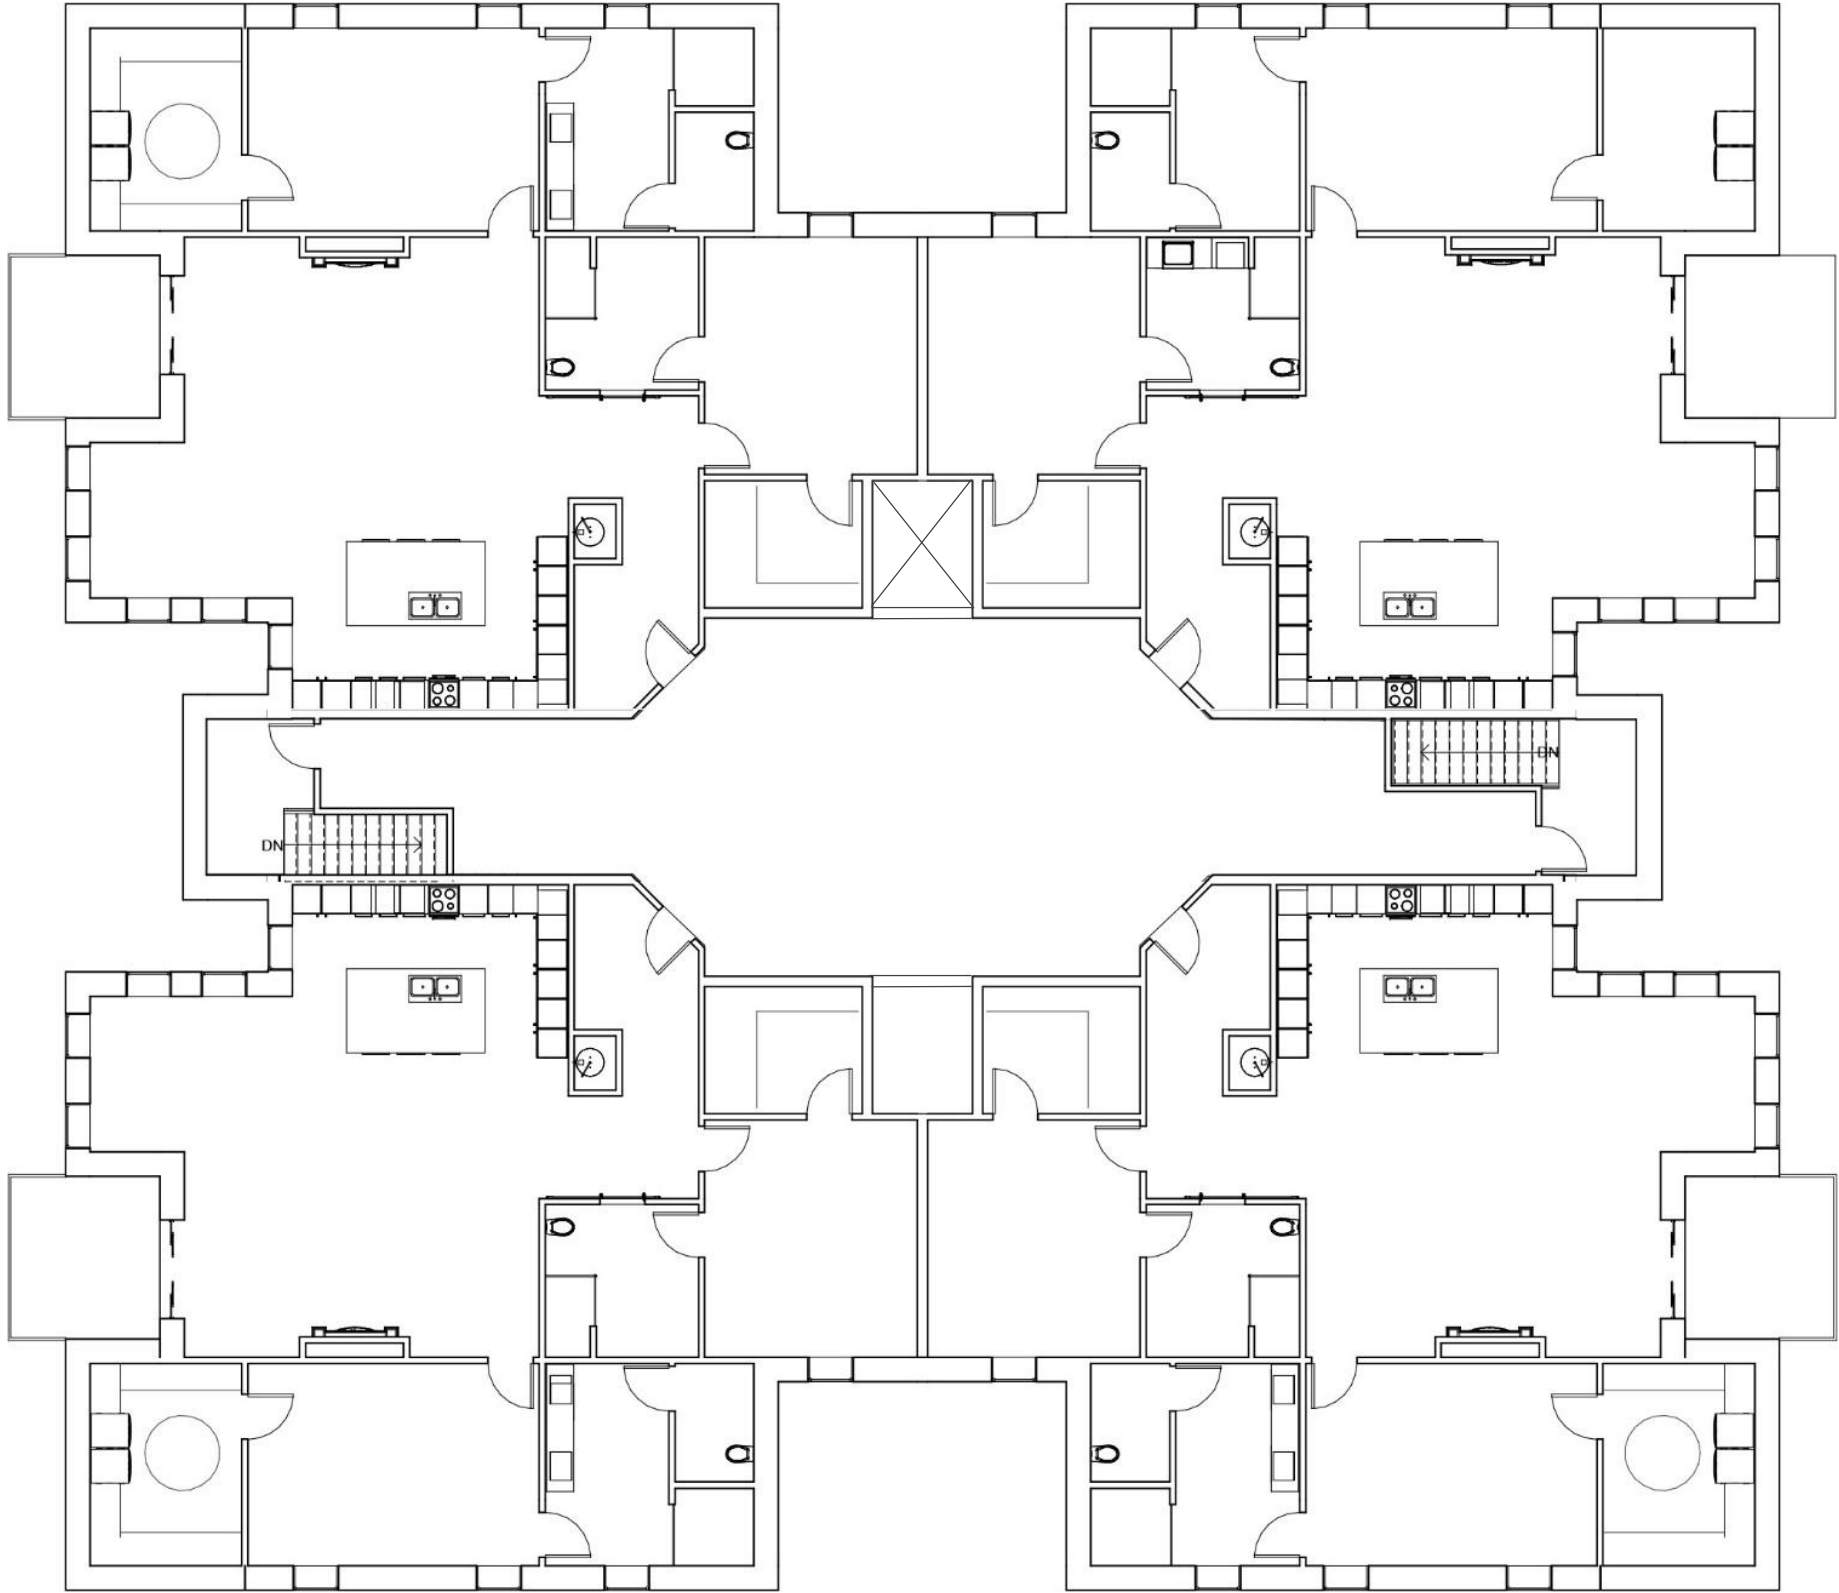

I finally get into my bed, as Charlie tucked me in Bebo, our dog, jumped up to get in with me.

MASTER BATH

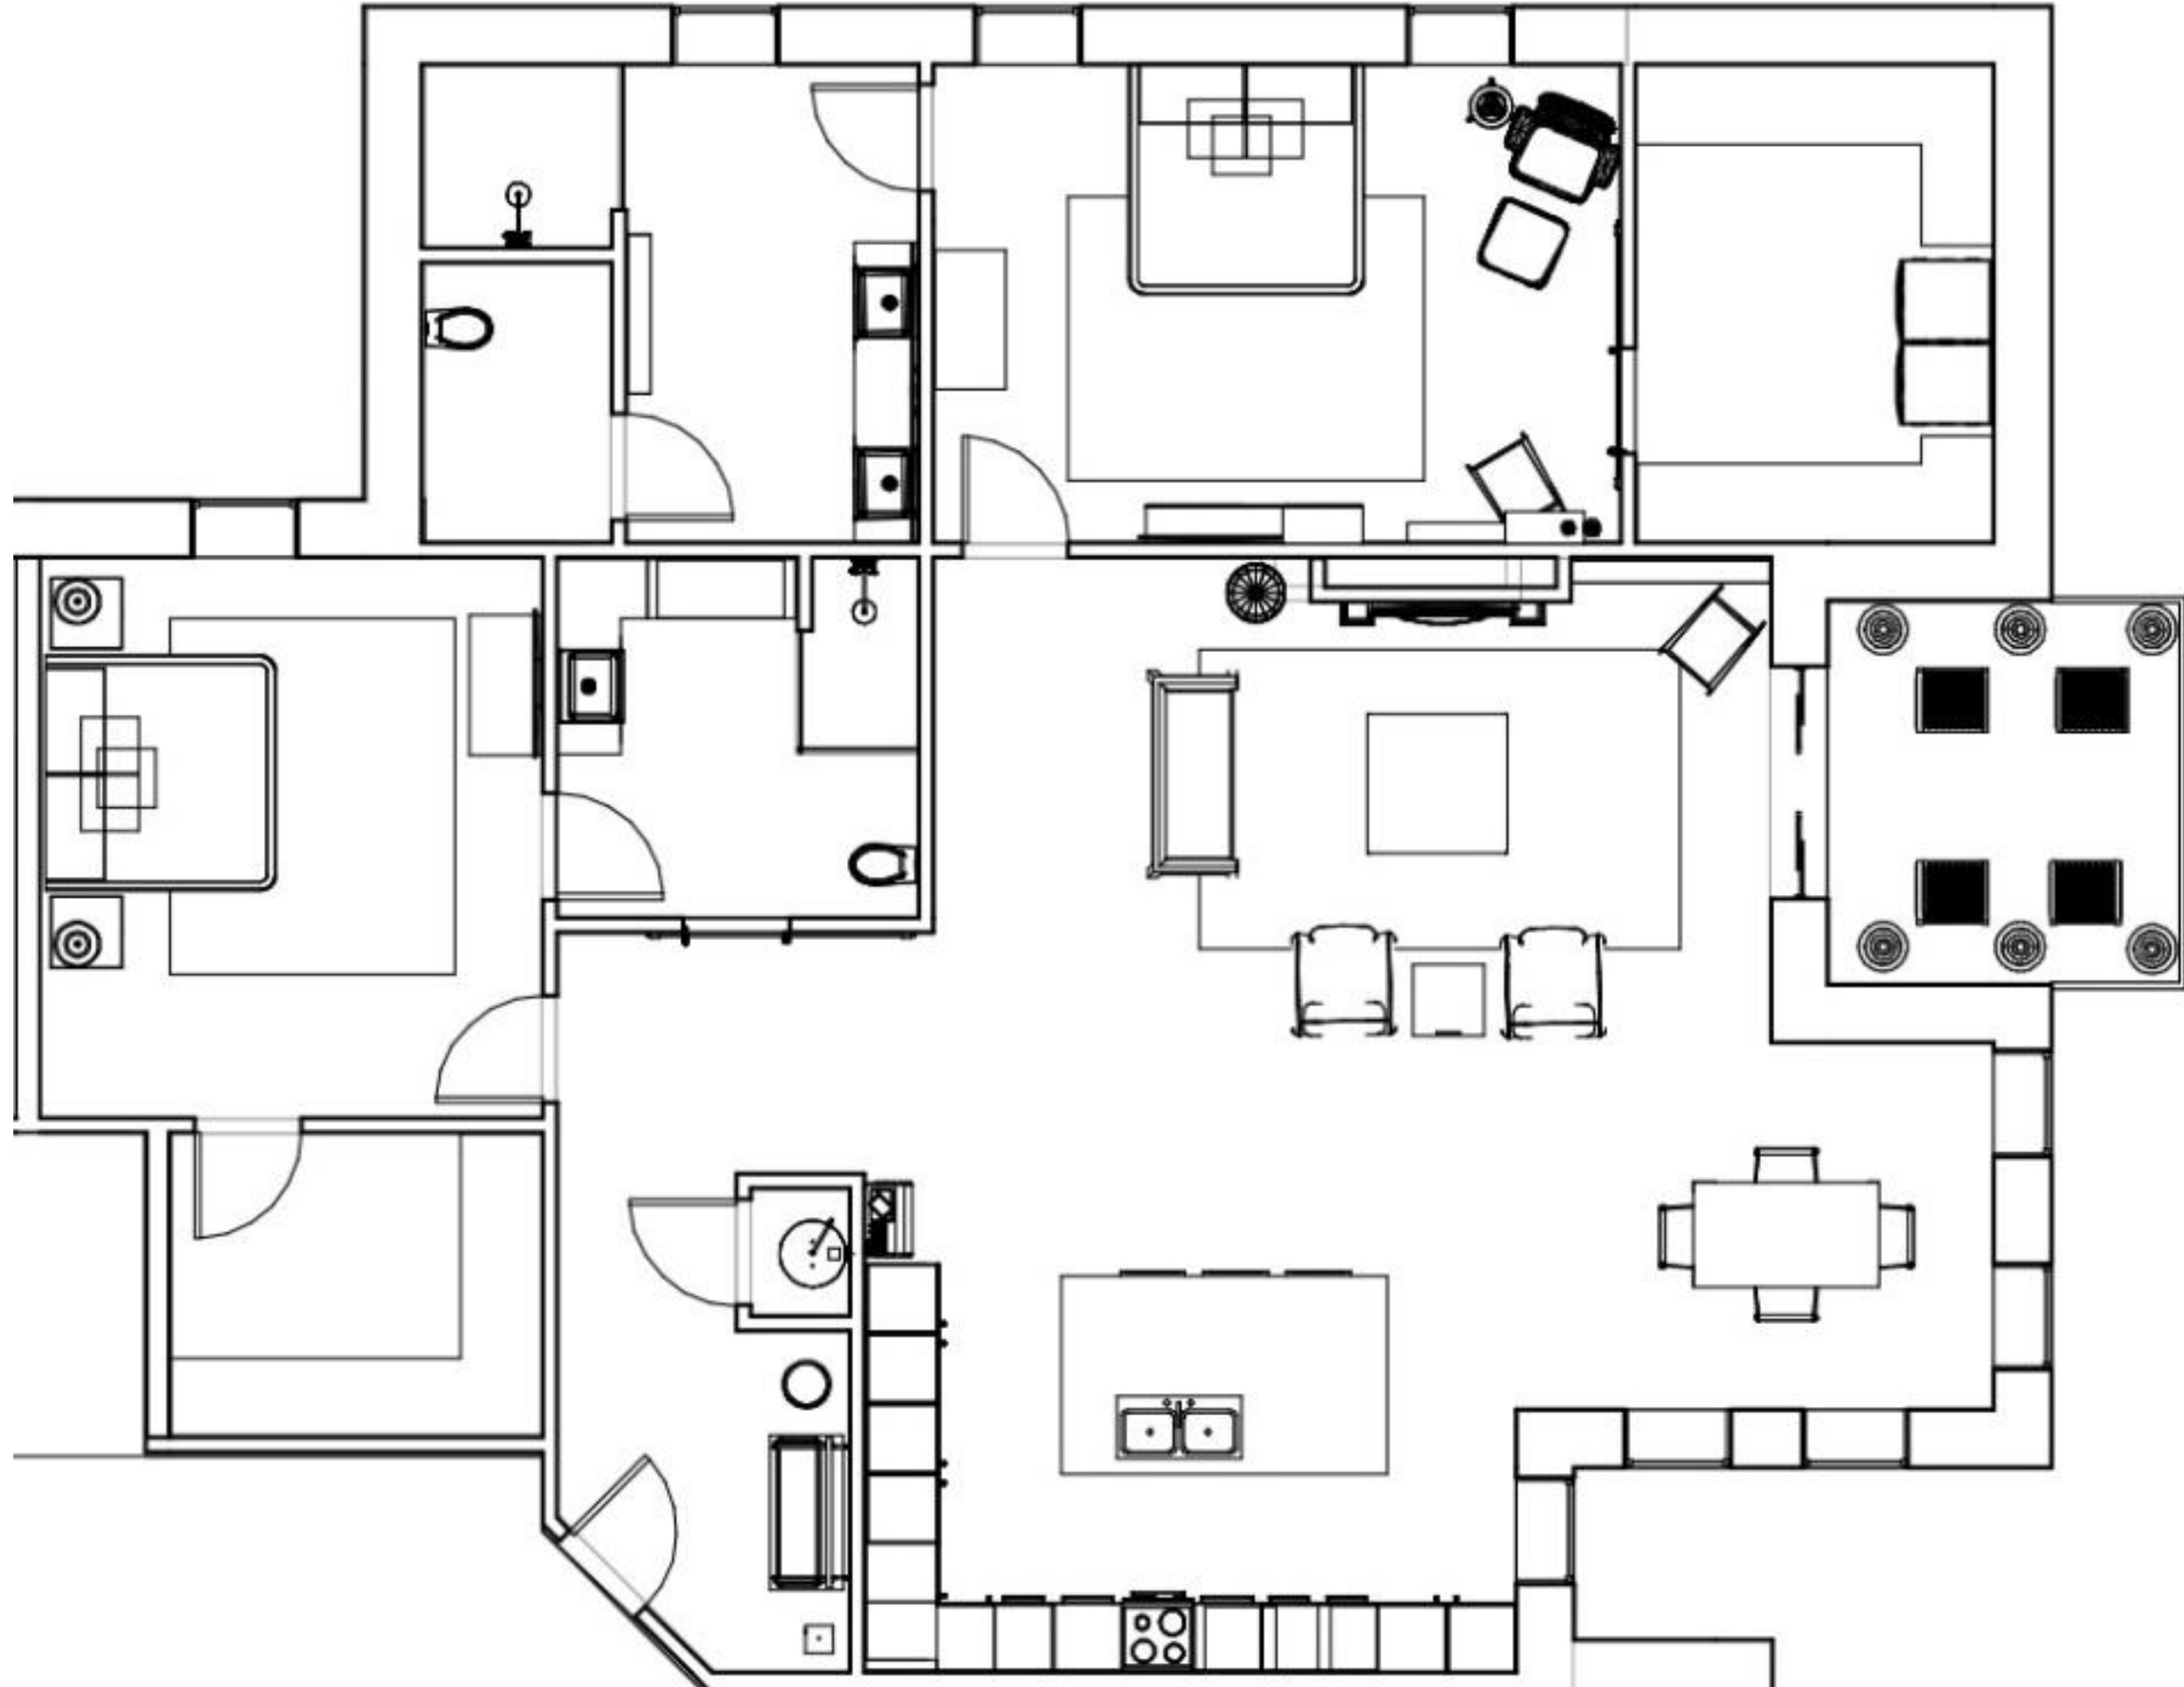

I couldn't feel my face, and my legs were numb. I wonder how long I was outside, I must have been sleep walking again.

FULL FLOOR PLAN

FLOOR PLAN

RENDERED FLOOR PLAN

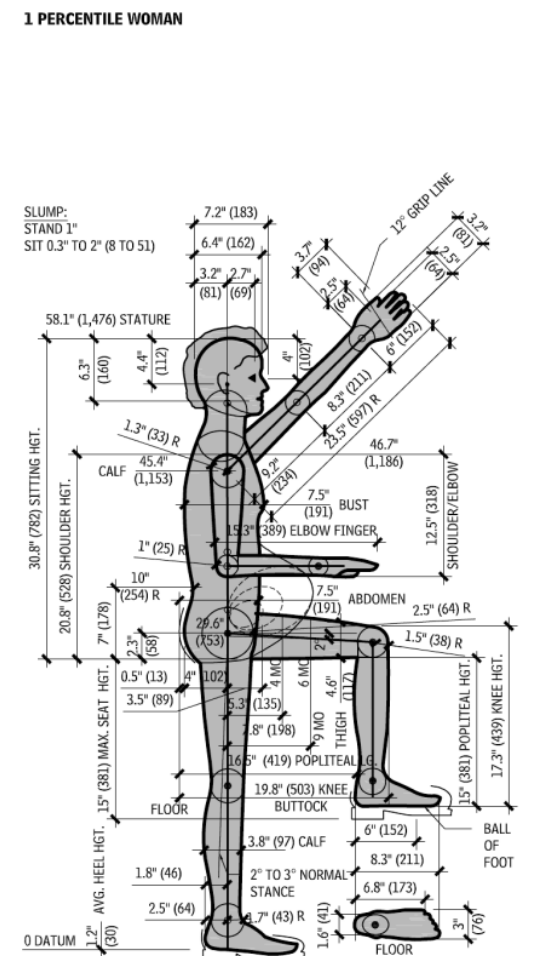

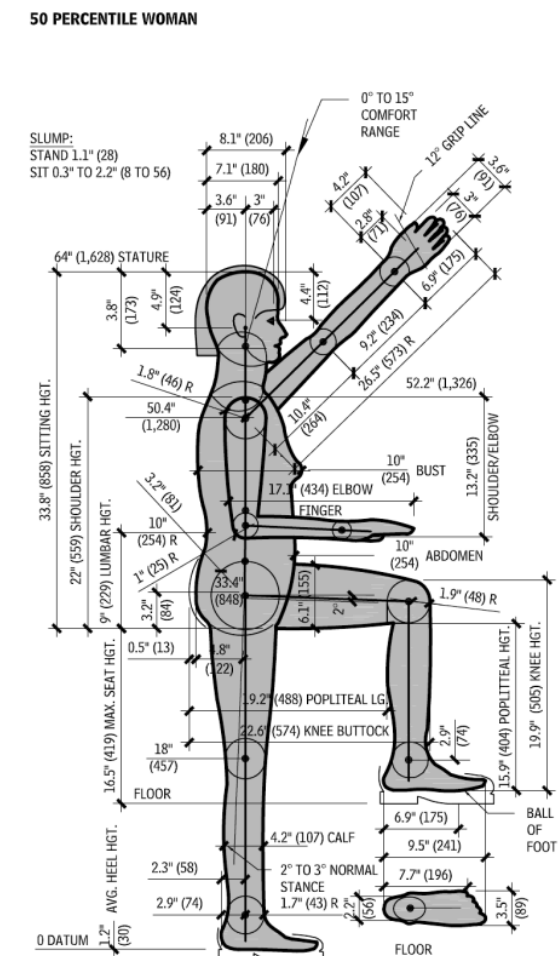

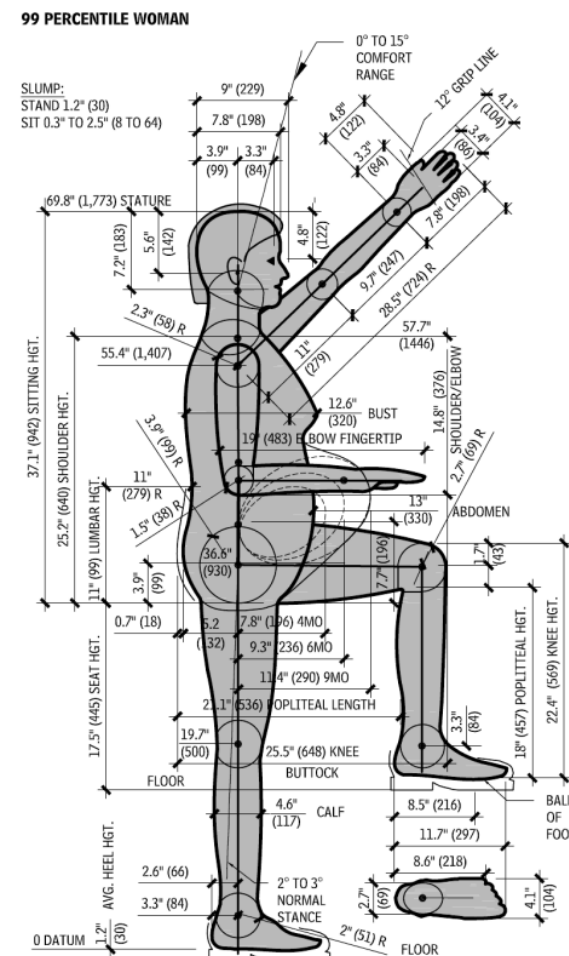

HISTORICAL PRECEDENTS

- Combination of traditional and modern
- Clean line, and minimal design
- Rustic touches that relate to the history of Greenville - Wood Beams
- Subtly rustic and modern to allow baby boomers to create their own style within the space.

ANTHROPOMETRICS & HUMAN BEHAVIOR

- Appropriate space provided for users to move comfortable around the home
- Slip resistant materials used for flooring
- Anthropometrically designed furniture
- All doors have large bar door pulls instead of knobs for ease of use
- Cabinetry designed by specific dimensions to be useable for everyone
