Essay Questions (max 1500 characters for each question):

1. Why are you interested in teaching secondary mathematics or science?
2. Why are you interested in teaching in a high-need, rural school district?
3. Why are you interested in being a Noyce Scholar? What makes you a good candidate for this program?

In submitting this application:

- I acknowledge that, if I am offered and accept this scholarship, I commit to:
Continued progress in meeting program requirements associated with my specific area(s) of study at ECU
and
Teach two years in my area of licensure for every one year of support in a high-need school district as identified by the National Science Foundation.

Note: Failure to complete the specific program requirements will forfeit my continued eligibility for this scholarship and ability to fulfill the service obligation requirements as required by the ECU Noyce Scholar Program.

- I further certify that, to the best of my knowledge, I have given true, accurate and complete information on this form. I understand this scholarship funding is available (subject to National Science Foundation grant funding) through June 30, 2028.

After submitting this application, send the following to Dr. Charity Cayton (caytonc@ecu.edu):

- Official transcripts of all collegiate coursework (ECU transcripts not needed).
- Documentation of Praxis I scores (or SAT or ACT scores that exempt need for Praxis I).
- Three recommendations on the Noyce Recommendation Form, attached in email. Completed recommendations should be emailed directly to Dr. Cayton by the person completing the recommendation. Noyce Recommendation Form located on ECU Noyce Application webpage).

If you have any questions, contact Dr. Charity Cayton (caytonc@ecu.edu).
